

January 10, 1980

COLLEGE'S NURSING PROGRAM AWARDED FULL AND CONTINUING EIGHT-YEAR ACCREDITATION

The National League for Nursing's Department of Baccalaureate and Higher Degree Programs has recently awarded the College's Nursing Program full and continuing eight-year accreditation approval. The maximum accreditation approval by the National League of Nursing, the only recognized organization which evaluates all nursing programs in the U.S., will be effective on this campus through fall 1987. The final accreditation approval was based on a one-year self-evaluation study conducted by the Nursing Department faculty in addition to the report forwarded to the National League for Nursing by two of the organization's representatives who conducted a four-day visit to campus last October. Included in the evaluation study were a complete review of the Department's faculty and students, criteria related to the organization and administration of the department, laboratory space and equipment, and field service placement. In addition, the evaluation included a general overview of the administrative policies of the College.

Dr. Lorraine Phillips, chairperson of the Nursing Department, explained that the accreditation process took into account the Department's field-service affiliations with the Clinton County Health Department, Champlain Valley Physicians Hospital Medical Center, the Sacred Heart Nursing Home, Plattsburgh Air Base Hospital, several community agencies, and the College's Health Center. "Also considered were 1978 results from the National State Board Test Pool Nursing Examinations which indicated that Plattsburgh State nursing graduates' scores were two points higher (88%) than the national average," Phillips said. Presently, there are 408 students enrolled in the College's nursing program. The faculty roster includes 17 full-time instructors and two-part time faculty. The College's nursing discipline is one of six four-year programs offered by SUNY Arts and Science institutions.

In a congratulatory letter to Dr. Phillips, Dr. Jerome Supple, vice president for academic affairs, wrote: "The approval for maximum eight-year accreditation is well deserved and an appropriate recognition of the dedication and hard work of the staff in your Department. You have every reason to be proud of your accomplishment."

COLLEGE'S ADMISSIONS YIELD RATE UP 10%; EXPECTED TO SURPASS SECOND SEMESTER ENROLLMENT GOAL

Prior to final registration for second semester classes, David Truax, director of admissions, reported that the College's admissions yield rate (the number of students who accept an offer of admission) for spring 1980 is at 53 per cent — 10 points higher than a year ago at this time. Truax reported that final registration figures are still incomplete due to the College opening nearly two weeks ahead of previous years because of the February Olympic Break, however, available statistics are encouraging. The College Admissions Office reported that new student applications for second semester admission were at 907 — identical to last year's record totals at this time. A total of 255 freshmen, transfer, and readmitted students have paid admission deposits signifying their intent to enroll at the College this semester. The total is expected to reach the new student enrollment goal figure for spring semester (325 students) by the conclusion of Monday's (Jan. 14) final add/drop period.

SEVEN INDIVIDUALS, SIX FIRMS JOIN FOUNDATION'S PRESIDENT'S CLUB

Seven individuals and six businesses became members of the Foundation's President's Club during 1979. The 13 join a list of more than 35 other individuals or firms who donate \$500 or more each year to the Foundation for scholarship aid.

New President's Club members are Dr. and Mrs. Herodotos Damianos, Mr. and Mrs. Gilbert A. Duken, William M. Frandino, Mr. and Mrs. Albert F. Luck, Mr. and Mrs. Paul Malvese, Mr. and Mrs. James McKee, Jr. and Mr. and Mrs. Harry Mowry.

Also, Champlain Valley Builders' Exchange, Clinton Press, Inc. Cronin Realty Company, Inc., A.N. Deringer Inc., Diamond International Corporation, L&M Restaurant and Motel, Ormsby's Sports World, and the Plattsburgh Press-Republican.

MORE THAN 800 STUDENTS REGISTER FOR OLYMPIC BREAK HOUSING AND MEAL PLAN

The College Auxiliary Services (CAS) Office has reported that 805 Plattsburgh State students have already registered to remain in their residence halls during the Olympic Break Period (Feb. 9-24). The registration period runs through next Tuesday (Jan. 15). Under the revised terms of the Olympic Break housing and meal plan, students will be able to purchase on-campus meal tickets for an additional cost this semester of \$68.90. Non-used coupons are refundable through the CAS office at the conclusion of the Olympic Break period. An additional 100 residence hall assistants and directors will be on duty during the 16-day break period. Bette Simonowitz, campus coordinator for students working at the Lake Placid 1980 Winter Olympic Games, reported earlier this week that the total number of students hired to work at the Olympics has reached 1,137.

WOMEN ENROLLMENT FIGURES REMAIN STABLE; MEN ENROLLMENT HIGHEST EVER RECORDED

According to fall semester enrollment figures compiled by the Office of Institutional Research, the number of woman students enrolled at the College the past two years has remained at approximately 55 per cent of the undergraduate student body. The figures indicate that 3,171 undergraduate women were enrolled at the College last semester — an increase of 43 students (1.4%) over fall 1978. In comparison, the number of male undergraduates enrolled at the College last fall increased by 3.5 per cent (89 students) over 1978. The final fall semester 1979 male undergraduate population of 2,556 students was the highest ever recorded by the College.

Nationwide statistics reported last fall by the National Center for Education shows that women account for 50.7 per cent (11.7 million) of the students enrolled in higher education. The overall statistics indicate that the number of women enrolled in colleges last semester increased by 3.8 per cent over 1978 while men enrollment rose 1.1 per cent.

TAC HELPING MINER INSTITUTE RECEIVE GRANT MONEY FOR ETHANOL PLANT

The Technical Assistance Center at Plattsburgh State, in conjunction with the Lake George/Lake Champlain Regional Planning Board, is preparing a \$250,000 Economic Development Administration (EDA) grant application for the construction of an ethanol production plant at the William H. Miner Agricultural Institute in Chazy. According to TAC, the proposed plant will produce enough quantities of ethanol to be used as a heating and transportation fuel for the Miner Institute complex. If the plant is constructed, energy production of ethanol will be supplied from waste heat produced from the Institute's coal/wood gassification unit. The project is being undertaken in hopes of converting the Institute into an entirely self-sufficient energy complex. Institute officials plan on using potatoes and sugar beets as the primary agricultural material to produce the ethanol. If EDA funding is approved, the ethanol plant should begin operation next fall.

COLLEGE'S COMMUNITY CABLE STATION TO TELEVISION BASKETBALL GAMES

The College's community cable television station, WBK-219, in conjunction with Ausable Communications Inc., Channel 10, will provide live telecasts of the College's men's varsity basketball home games beginning with the Cardinal-Norwich University contest this Saturday at 8 p.m. The live telecasts will be relayed over Cable Channel 10. Commentary and play-by-play will be provided by communications (mass media) students. Each telecast will also include a 15-minute halftime program.

COLLEGE, 'PRIDE,' SPONSORING SECOND ANNUAL FROSTY FROLICS SNO-BALL DANCE

The College and the Plattsburgh "Pride" Committee will sponsor their second annual Sno-Ball semi-formal dance in the College Center Ballroom on Saturday, January 19, beginning at 9 p.m. The dance will be one of a series of events organized by the Pride Committee and scheduled during the community-wide Frosty Frolics Winter Carnival, January 18-27. Tickets for the dance are \$6.00 per person and includes hors d'oeuvres. Advance tickets are available at the College Center Desk and Plattsburgh "Pride" Office, City Hall (563-0473).

weekly notes

Dr. Allan S. Everest, professor of history, has recently published his eighth book on North Country history. The latest work, entitled *Henry Delord and his Family*, is a study of the three generations that lived in Plattsburgh's historical Kent-Delord House.... **Dr. Judith Van Wagner**, associate professor of art, has recently had an article published in a recent issue of *Leonardo, The International Journal of the Contemporary Artist*. She has also been requested to serve as a consultant on Holt, Rinehart, and Winston Publishing Company's latest revision of their book *Mainstreams of Modern Art*... **Dr. Calvin Veltman**, associate professor of sociology, has conducted an elaborate study of language assimilation in the U.S. for the Federal Government's National Center for Educational Statistics. Results of his survey appeared in a Sunday edition of a recent *New York Times* article... **Dr. Vivian Walsh**, visiting professor of business/economics, has recently published an article for the fall 1979 issue of *Eastern Economic Journal*... **On Sunday (Jan. 13)** faculty and staff members of the College captained by Dr. Michael Stoller of the business/economics department will face members of the **Clinton Community College** staff in a basketball game at Our Lady of Victory Gymnasium. Tipoff is set for 4 p.m.

This Week on Campus

THURSDAY, JANUARY 10

8 pm — Sigma Xi presents Dr. Harvey Brooks, a member of the Aiken Computation Laboratory staff at Harvard University who will speak in "Energy Futures." Open to all. Hudson Hall 106.

FRIDAY, JANUARY 11

1 pm — Speakers Forum Hypnosis Seminar. SA members only. College Center Music Lounge.

8 pm — Speakers Forum presents Hypnosis-ESP. Students 50¢, public \$1. College Center Ballroom B.

SATURDAY, JANUARY 12

6 pm — Men's JV Basketball vs. Champlain Jr. College. Memorial Hall.

8 pm — Men's Basketball vs. Norwich University. Adults \$1.50, non-PSUC students \$1, PSUC students w/ID 50¢. Memorial Hall.

SUNDAY, JANUARY 13

7 pm & 9:15 pm — SA Films — Premier Concert Movie — Rod Stewart, Charlie Daniels, etc. Tickets for SA members only 50¢. Hawkins Hall Large Auditorium.

MONDAY, JANUARY 14

4 pm — End of ADD/DROP period.

WEDNESDAY, JANUARY 16

Noon — Brown Bag Theatre in the Studio, Myers Fine Arts.

7 pm — PSUC English Department sponsors a talk by Olympic Artist and Children's Illustrator Beverly Brodsky. Open to all. College Center Cardinal Lounge.

7:30 pm — Hockey vs. Canton Tech. Adults \$2, non-PSUC students \$1, PSUC students w/ID 50¢. Ice Arena

8 pm — Environmental Action Committee presents a film. Open to all. Hawkins Hall Large Auditorium.

FRIDAY, JANUARY 18

6 pm — Men's JV Basketball vs. Clinton Community College. Memorial Hall.

NOTES

Continuing Art Exhibitions until January 27: "Christmas Cards in Plattsburgh State Collection," Rockwell Kent Gallery and William Klock/Michelle Lester — Ceramics/Tapestry Exhibit, Myers Fine Arts Gallery.

Financial Aid Outreach Center each Monday, Wednesday and Friday in the College Center Lobby.

January 26 there will be a Montreal Bus leaving at 9 am and returning at 6 pm. Tickets are \$5.25 round trip and are on sale at the College Center Desk. Centaur Theatre tickets for Saturday, January 26 2 pm performance of "A Lesson from Aloys" are on sale at the desk for \$2.50.

JANUARY 17, 1980

PRESIDENT BURKE'S MESSAGE TO SUNY: PUT THE 'UNITY' BACK INTO THE UNIVERSITY

Maintaining that "the future of the University in the next decade deserves . . . careful and comprehensive deliberation," College President Joseph C. Burke, in an address recently to the State University Board of Trustees and Chancellor Wharton, recommended that a commission of national prominence, comprised of members from business, foundations, and higher education, be appointed immediately to design a "Master Plan" for SUNY in the 1980's. Stressing that an outside group, such as a national board, would be more objective than an internal committee in deliberating the crucial issues facing SUNY, President Burke explained that such a board could answer the policy question posed by Chancellor Wharton: "How large and good a State University does New York State want?", and the slightly altered question: "How large and good a State University does the Empire State need?" President Burke pointed out that "the recommendations of such a prominent and independent commission could not be ignored by the general public or their governmental representatives."

The President went on to say that SUNY can only accomplish its task by operating as a unified University system. He emphasized that among the steps necessary to create this unity was the need to generate the combined loyalty of SUNY from alumni, students, and staff. "SUNY in the 80's will recognize that this absence of loyalty to the University as a whole has made it impossible to marshall the combined support of the University as a system," Burke told the Trustees. "A University with half-a-million alumni, three hundred and fifty thousand students, and thirty-two thousand staff should have no difficulty winning the support of the general public or their governmental representatives." Burke continued: "SUNY's external publics will better appreciate the true worth of the System when its internal constituencies can benefit fully from its unity as well as its diversity."

FOUNDATION SCHOLARSHIP SUPPORT IN 1979: 509 GRANTS TOTALING \$90,240

A record number of 509 students were provided financial aid assistance by the Plattsburgh College Foundation in 1979. The 1979 figure brought the Foundation's nine-year history totals to \$571,000 in scholarship aid to more than 2,600 Plattsburgh State undergraduates.

Suzanne Sokolowski, director of financial aids, believes that this year's Foundation scholarships and grants enabled many students to avoid taking loans. Very often, she said, a Foundation award of \$100 or \$250 was sufficient in helping a student complete expenses.

In 1979, because the need was so great, Plattsburgh's financial aids staff developed an awards system designed to be both fair and consistent with the educational mission of the College. Awards were made on a descending scale, beginning with students whose grade-point averages were higher than 3.0 and whose loan debt exceeded \$3,000.

"Indeed this year's Foundation aid support went to students that were financially affected the most by going to college," Sokolowski said. "The Foundation is continually serving our most outstanding young people — students who deserve to be helped."

E. Glenn Giltz, president of the College Foundation, was encouraged by the figures recorded in the organization's 1979 fund-raising campaign. "The bottom line to the Foundation's success lies in the fact that we've been able to provide scholarships to young men and women who might otherwise have to terminate their undergraduate careers," Giltz said. "Support of the Foundation is an indication that individuals and businesses believe in the mission of the College at Plattsburgh."

RESULTS FROM CAMPUS CAR POOLING SURVEY PROVIDE INTERESTING FINDINGS

Nearly 40 per cent of the College's 276 faculty and staff members who responded to a December car pooling survey indicated that they were in favor of seeing the College coordinate a car pooling program to campus. Environmental science majors Patricia Crowley (Rochester), Jim Murphy (Schenectady) and Don Sayward (Willsboro), students in Dr. Peter Gore's environmental sociology class, conducted the survey by mailing 930 questionnaires to members of the College's faculty and staff. The 10-question survey was able to generate a 30 per cent response (276 returned questionnaires) from participants. The students' individual findings indicated that approximately 48 per cent (62 respondents) of the College's staff who responded to the survey were in favor of a campus pooling program while only 33 per cent (49 members) of the faculty were supportive of such a program. A breakdown of the survey indicated that:

- 82 (56%) of the faculty walk or ride a bicycle to campus each day;
- 37 (29%) of the staff either walk or ride a bicycle to campus;
- The average roundtrip mileage for persons driving to-and-from work was approximately 15-miles-a-day;
- The average automobile driven by faculty and staff averages 22.5 miles-per-gallon; and
- Of the 60% (165) respondents not in favor of a car pool program, the majority listed that they needed their car for personal errands, fluctuating schedules, and the inconvenience of not having a car at work.

Additionally, the students informally surveyed commuters to campus. Of the only 20 student commuters who responded to the survey, 65 per cent were in favor of an organized car pooling program. Results of the survey will be submitted to the College's Office of Personnel and Affirmative Action.

STUDENT AID: 1971 - 1979

Year	Number of Recipients	Total Allocations
1971	53	\$ 10,932.00
1972	101	23,180.20
1973	193	47,180.20
1974	232	52,988.05
1975	328	76,030.75
1976	382	76,910.00
1977	366	90,315.00
1978	445	103,645.00
1979	509	90,240.00
Total	2,609	\$571,421.20

SOUND LABORATORY UNIT ACQUIRED FOR SPEECH AND HEARING CENTER

A double-walled speech and hearing sound suite formerly owned by Albany State is being installed in the Speech and Hearing Center. The 22,000 pound two-room sound laboratory unit is valued at approximately \$30,000 and was acquired through State University's transfer of equipment program at no cost to the College other than transportation and installation of the unit. Workers from the College's Buildings and Grounds Department are assembling the suite adjacent to the Speech and Hearing Center's existing clinical and classroom space located at the Educational Research and Demonstration Center (ERDC) on Rugar Street.

According to Hyman Freeman, director of the Center, the soundproof suite complies with federal regulations governing the validity of audiometer testing (hearing examinations). Freeman explained that the suite will help to expand the Center's public service to North Country clientele and provide additional laboratory space for the College's current 180 speech and hearing graduate and undergraduate majors. "The installation of the suite will help to alleviate both the validity and space problems we've experienced in the past in conducting audiometric examinations," Freeman said. Each year the Center conducts speech and hearing evaluations for nearly 400 clientele referred to the Center by individuals, area schools, and community service agencies. Speech and hearing therapy is offered by Communications Department faculty and students who staff the Center.

LIBRARY INSTALLS 12 NEW MICROFILM READERS

Feinberg Library's third floor microform area (Room 301-302) has been recently expanded to include 12 new 16/35 mm microfilm readers. The new additions bring the total amount of readers available in the Library to 25. Patricia Bentley, associate librarian and head of Feinberg's technical services department, explained that the new readers will eventually help to cut library costs and expand the Library's collection capacity. Feinberg's microform collection presently consists of some 800 titles of periodicals and newspapers representing 50 per cent of the Library's current subscription titles. A majority of the Library's historical materials, government publications, technical reports, and grant-funded studies are available in microform. Members of the College's Facilities Planning Office and Physical Plant helped to design and install custom-made desk tops for the readers.

TOURISM PROJECT GRANT UNDERWAY TO RETAIN OLYMPIC TOURISTS

The Adirondack New York Tourism Project, directed in a cooperative effort by the College's Comprehensive Educational Center (CEC) and the Technical Assistance Center (TAC) at the College, is presently conducting a series of training programs to help retain and bring back tourists who visit the Olympic Region this season. The project, now in its third and final year of federal grant support under Title I of the Higher Education Act of 1965 through funding from the State Department of Education, has been providing a series of filmstrips and training programs for 300 small business owners, 1,000 New York State Police, and nearly 500 tourist industry workers to enable them to become better salespeople and promoters of tourism in the Adirondack Olympic Region. Tourism Project officials hope to be provided with continued funding in order to institutionalize the office headquartered in Hawkins Hall. Plans are underway to begin a tourism promotion campaign for the 1985 Centennial Year of the Adirondack Forest Preserve. According to TAC officials, information pertaining to tourists' travels and spending gathered by staff members of the Tourism Project is intended to provide a benchmark for future comparison and economic planning in the Adirondack Olympic Region.

This Week on Campus

THURSDAY, JANUARY 17

12:15 pm — Behavioral Science Colloquy. "What's new with Newts (and maybe chipmunks)." Drs. Charles Mitchell and Lawrence Shaffer. FOB II Room 213. Everyone invited.

7:30 pm — Auditions for "The Ice Wolf" and "The Shadow Box." "The Ice Wolf" deals with a young Eskimo girl, different from the others. In the snow she finds a vision for tomorrow. "The Shadow Box" is about three terminal cancer patients dealing with their anxieties and the finality of their conditions. Hartman Studio Theatre.

8 pm — McGill Wind Ensemble performance. Free admission, open to all.

FRIDAY, JANUARY 18

11 am - 2 pm — Financial Aid Outreach Table. Every Monday, Wednesday and Friday this semester, the table will be manned by Financial Aids in the College Center hallway between The Point and the EOP Office.

6 pm — Men's JV basketball vs. Clinton Community College. Memorial Hall Gym.

7 & 9:15 pm — SA Films presents "Midnight Express" and "The Little Rascals." Open to SA only. 50¢ with PSUC ID. Hawkins Hall Large Auditorium.

7:30 pm — Auditions for "The Shadow Box" and "The Ice Wolf." Hartman Studio Theatre.

8 pm — Men's basketball vs. Oneonta State. Adults \$1.50, non-PSUC students \$1., PSUC students with ID 50¢. Memorial Hall Gym.

SATURDAY, JANUARY 19

2 pm — Choking Clinic presented by the Red Cross. College Center Music Lounge.

4 pm — women's Swimming vs. McGill University. Open to all. Memorial Hall Pool.

7:30 pm — Auditions for "The Shadow Box" and "The Ice Wolf." Hartman Studio Theatre.

7:30 pm — Hockey vs. Buffalo State. Adults \$2., non-PSUC students \$1., PSUC students with ID 50¢. Ice Arena.

8 pm — Mid-Winter Music Festival. All county ensembles. Public is invited. Hawkins Hall Large Auditorium.

9 pm — Frosty Frolics Winter Carnival presents a Sno-Ball Dance featuring "The Big Sound," playing music of the 40's and 50's in the College Center Ballroom from 9 pm to 1 am. Tickets are \$6. per person (including hors d'oeuvres) and are available at the College Center Desk and thePlattsburgh Pride Office, City Hall (563-0473). All are welcome.

SUNDAY, JANUARY 20

3 pm — Pease Air Force Band. Free concert. Hawkins Hall Large Auditorium.

4 pm — This Sunday and each Sunday at this time the Protestant Campus Ministry invites you to the student Protestant worship service to be held at the Newman Center. The Newman Center is located directly across Broad Street from the Kehoe Administration Building. Following today's service there will be a Bread and Soup Meal at 39 Olivetti Street.

TUESDAY, JANUARY 22

4:15 pm — History Club meeting this and every Tuesday at this time. C.V.H. Commons.

8 pm — The Champlain Chamber Music Series presents Yenoim Guibbory, violinist and Kathryn Stuart, pianist. Open to all. Hartman Theatre.

WEDNESDAY, JANUARY 23

noon — Brown Bag Theatre — Impromptu — directed by Marcy Berger. Myers Studio Theatre.

4 pm — Professional Studies Colloquia — "Language Stereotypes and Judgements" by J.M. Ritty dealing with speech, sounds, word arrangements and meanings associated with stereotypes. All are welcome. ERDC Cafetorium.

4 pm — Women's Swimming vs. University of Vermont. Open to all. Memorial Hall Pool.

6 pm — Women's Basketball vs. Potsdam State. Field House.

FRIDAY, JANUARY 25

7:30 pm — Hockey vs. Brockport State. Adults \$2., non-PSUC students \$1., PSUC students with ID 50¢. Ice Arena.

NOTES

Volunteers are needed to act as Financial Aid Peer Counselors in your dorm and Campus Outreach Centers. The Financial Aid Office will train you to help answer your fellow students' financial aid questions. This training and experience will be valuable in your own search for financial aid and will give you public relations experience that you can include on your own job search resume. Please call 564-2242 or 2076 to volunteer a few hours of your time. Ask for Vanessa. We think you will find this experience profitable! Please come to an organizational meeting Sunday, January 27th at 6 pm in the basement lounge of Mason Hall.

There will be a **Montreal Bus** leaving at 9 am and returning at 6 pm. Tickets are \$5.25 round trip and are on sale at the College Center Desk. Centaur Theatre tickets for Saturday, January 26 2 pm performance of "A Lesson from Aloes" are on sale at the desk for \$2.50.

JANUARY 24, 1980

GOVERNOR'S PROPOSED BUDGET FOR PLATTSBURGH IS MISLEADING, SAYS BURKE

Governor Carey's proposed budget for the College, which President Burke has termed a "modest increase," is misleading. Burke reports that the Governor has mandated \$27 million in program reductions and has ordered the deletion of 1,125 positions within State University, to be accomplished presumably by September 1.

The Governor has directed the SUNY Board of Trustees to allocate these cuts among the University's campuses. "It is clear," says Burke, "that State University cannot meet these mandated cuts without heavy program and personnel reductions."

Burke notes that the Governor's proposed budget calls for a "fundamental re-examination of State University's staffing levels and funding formulas, campus missions and programs, federal and private sources of funds, and user fees." This re-examination, explained Burke, will take a considerable length of time. "In any case, the modest increase recommended for Plattsburgh could become a heavy reduction in both dollars and personnel," Burke added.

PRESIDENT TO DISCUSS 1980-81 BUDGET AT FRIDAY FACULTY MEETING

President Burke has called a meeting for Friday (Jan. 25) of College faculty during which he will analyze the Governor's proposed 1980-81 Budget for the College. The meeting will be held at 4 p.m. in Yokum Communications Hall Room 200. Burke was in Albany today attending a budget briefing session conducted by officials of the State Division of the Budget.

HUNDREDS TO GATHER AT STATE CAPITOL FOR 'SAVE SUNY DAY'

In response to proposed position and budget cuts throughout State University, United University Professions (UUP), the official collective bargaining representative of more than 17,000 academic and professional staff members in the University, has organized a "Save SUNY Day" to protest Governor Carey's proposal to eliminate 1,125 positions on SUNY campuses by September 1. Dr. Philip Reines, associate professor of communications and president of the 305-member UUP at Plattsburgh, announced that College personnel will actively participate in the Tuesday "Save SUNY Day" program at the state capitol. Four buses have been reserved by the local UUP Chapter for SUNY supporters willing to make the all-day roundtrip to Albany. The buses are scheduled to leave campus at 8 a.m. on Tuesday from in front of Memorial Hall. Reines said that local UUP officers are generating backing of both union supporters, Civil Service Employees' Association (CSEA) members, and the College student body in a unified campus effort to protest the mandated faculty and staff position cuts affecting SUNY campuses this year.

Maintaining that this year's proposed budget and position cuts in State University is "only the tip of the iceberg in what may lie ahead for SUNY in the 1980's," Reines explained that the "Save SUNY Day" campaign must have the active participation of a large majority of state-wide University personnel and students to be effective. "This is our first organized demonstration. We are hopeful it will draw public support on behalf of public higher education in New York State," Reines said. "We cannot stand by and let the Governor's proposed budget for higher education present such a major threat to the future of SUNY." A sign-up booth for faculty, staff and students interested in riding the bus to Albany next Tuesday is located in College Ballroom between the hours of 11 a.m. and 1 p.m. Persons can also register for the Albany trip by contacting the UUP Office at 563-8887.

STUDENTS BEGIN LETTER WRITING CAMPAIGN TO PROTEST GOVERNOR'S BUDGET

As reports of this year's grim budget outlook for State University flow from the Governor's Office, members of the College's Student Association have begun an extensive letter writing campaign to Gov. Carey's office expressing their disapproval of proposed position and budget cuts on this and other SUNY campuses. This week campus SA officials have been briefed by State University Student Association (SASU) members in Albany on the ramifications SUNY-wide of Governor Carey's budget. Ann Beyer, SA president, announced that students will be riding buses to Albany next Tuesday along with other SUNY supporters to participate in "Save SUNY Day" demonstrations. "I urge all students on this campus to take part in 'Save SUNY Day' and our organized letter writing campaign," Beyer said. "Any student who hopes to receive a quality education at this college or any other SUNY campus must show concern with the Governor's proposed 1980-81 budget for public higher education." Beyer added that Plattsburgh, while continuing to maintain quality academic programs and realize enrollment goals, should not be penalized by the Governor's latest budget proposal.

FOUNDATION'S ANNUAL MEETING SET FOR MONDAY

The annual meeting of the Plattsburgh College Foundation will be held Monday (Jan. 28) at the Valcour Conference Center. Scheduled business includes the election of a board of directors and officers for 1980, amendments to the by-laws and a report on progress that the Foundation has made during the past year in terms of investments, student aid, and fund-raising activities.

President Burke has nominated Dr. Herman Doh, professor of English, and Ann Beyer, president of the Student Association, to represent the faculty and students, respectively, on the Board of Directors. Selected by the President to serve on the Foundation membership from the faculty are Student Affairs Vice President Dr. Eldridge Roark, Business Affairs Vice President Bernard J. Seawell, Marilyn Chase, associate professor of home economics, and Dr. Earl Fry, director of International Education and Canadian Studies. From the student body President Burke has selected Gregg Sweet, SA vice president for academics. Appointed by the College Council as new Foundation "community members" are Mrs. Ann Brandell, Lawrence Carpenter, Richard Cronin, William Manning, Elmer Martel, William Morgan, George Repas, Henry Smith, and Mrs. Alan Walker. New "alumni members" to the Foundation selected by the Alumni Association Board of Directors include Dr. Edward E. Redcay and Peter Whitbeck.

Faculty Meeting on 1980-81 Budget • Friday • 4 p.m. • CL 200

COLLEGE SPENDS MORE THAN \$1 MILLION IN GRANT MONEY OVER ONE-YEAR PERIOD

Information compiled in the latest expenditure report by the State University of New York's Central Office in Albany indicates that the Research Foundation expended \$1,005,174 in grants awarded to the institution during the period of July 1, 1978 to June 30, 1979.

According to the Research Foundation's Central Office, the following amounts of federal, state and public and private institutional sponsored grants have been expended by these areas of the College:

Training — \$156,503; Research — \$234,536; Public Service — \$565,686; Libraries — \$502; and other categories — \$47,947.

FINAL TESTING DATE FOR GRE IS APRIL 26

Graduating seniors planning to enter graduate school this fall will have only one opportunity to take the Graduate Record Examination (GRE) aptitude portion before the September academic year. The Office of the Vice President for Academic Affairs has announced that the scheduled February GRE testing date has been canceled. Saturday, April 26, will be the final testing date for the aptitude portion of the GRE. Deadline for filing to take the April test is March 26. Walk-ins will not be permitted to take the April 26 exam. Students may register for the exam by reporting to the Office of the Vice President of Academic Affairs located on the third floor of the Kehoe Administration Building.

COLLEGE TO RELEASE ON-CAMPUS STUDENT NAMES AND ADDRESSES FOR 1980 CENSUS

This spring the College will comply with the national census of population and housing for 1980 by providing the names and addresses of students living in campus housing. According to the Family Educational Rights and Privacy Act of 1974 (the Buckley Amendment) the College may release to the public items designated as directory items: a student's name, college address, home address, college telephone listing, date of birth, parents' names, high school attended, major field of college study, participation in officially recognized activities and sports, dates of college attendance and degrees and awards received. Students are reminded that unless they have filed an objection with the Registrar, their residence data will be available to the U.S. Census Bureau as of April 1.

This Week on Campus

THURSDAY, JANUARY 24

3:30 - 4:30 pm — Senior Placement Information Center. Open to all students. Cardinal Lounge, College Center.

FRIDAY, JANUARY 25

11 am — Marc Boucher, Intergovernmental Affairs, Quebec Government, to speak on evolution of Quebecois. Open to All.

7:30 pm — "The Three Penny Opera." G.W. Pabst's film of Bertolt Brecht and Kurt Weill (1931) with Lotte Lenya. In German with English subtitles. Also a short subject: Charlie Chaplin in "The Tramp." Open to all. Hawkins Hall Large Auditorium.

7:30 pm — Hockey vs. Brockport State. Adults \$2., non-PSUC students \$1., PSUC students with ID 50¢. Ice Arena.

SATURDAY, JANUARY 26

9 am — Montreal Bus leaves from P.E. Building. Departs from Montreal at 6 pm. Tickets are \$5.25 round trip and are on sale at the College Center Desk. Centaur Theatre tickets for the 2 pm Saturday performance of "A Lesson from Aloes" are on sale at the desk for \$2.50.

noon 8 4 pm — Blood Bank for CVPH sponsored by Psi Epsilon Chi. Chilton Hall Upstairs Lounge.

1 - 2:30 pm — Recreational skating at Field House has been canceled.

2 pm — Women's Basketball at St. Michael's College.

6 pm — Men's J.V. Basketball vs. Canton Tech. Memorial Hall Gym.

7 pm — Film: Cult Explosion presented by the Baptist Campus Ministries. Free and open to the public. Hawkins Hall Large Auditorium.

8 pm — Men's Basketball vs. Buffalo (SUNY). Adults \$1.50, non-PSUC students \$1., PSUC students with ID 50¢.

8 pm — Skating Club of Adirondacks presentation "Ice Time USA." Crete Memorial Center. General admission \$2.50, children under 12 \$1.50, reserve seats \$3.00.

SUNDAY, JANUARY 27

6 pm — Organizational meeting for Financial Aid Peer Counselors. Mason Hall Lower Lounge.

6 pm — March of Dimes Superskate Skate-A-Thon. Registration 6 pm. Awards to be given out. Crete Civic Center.

7 pm — SA Films presents "Same Time Next Year" and "Voices." Open to SA members only. 50¢ with SA ID. Hawkins Hall Large Auditorium.

7:30 pm — Hockey vs. Elmira. Adults \$2., non-PSUC students \$1., PSUC students with ID 50¢. Ice Arena.

8 pm — Skating Club of Adirondacks presentation "Ice Time USA." See Saturday 8 pm for information.

MONDAY, JANUARY 28

3 - 5 pm — Political Science Colloquium on Human Rights (Quebec). Open to all. Cardinal Lounge, College Center.

4 pm — General meeting of the Z. Platt Almanack, the College literary magazine. All are welcome. CVH Commons.

4 pm — Club Canada Meeting, 133 Court Street. Open to anyone interested in Canada.

6 pm — Financial Aid Outreach Program Dorm Workshops at Harrington Hall and Macomb Hall.

7:30 pm — Matrimony. Jesus invites us to Love. A course for those interested in working on the opportunities, problems and joys of marriage before they take the big step. Weekly meetings at the Newman Center.

TUESDAY, JANUARY 29

3:30 - 4:30 pm — Resume Writing Workshop. Open to all students. Cardinal Lounge, College Center.

4:30 pm — History Club presents a panel discussion. Open to all. College Center Ballroom B.

6 pm — Financial Aid Outreach Program Dorm Workshops in Kent Hall and Hood Hall.

7:30 pm — For Those Who Mourn. A course on the Christian perspective on death and dying. Weekly sessions at the Newman Center.

WEDNESDAY, JANUARY 30

10 am — Interview Training Workshop for Nursing Majors. College Center Music Lounge.

noon — Brown Bag Theatre. Fred Springer in Krapps Last Tape. Myers Studio Theatre.

3:30 - 4:30 pm — Resume Writing Workshop. Open to all students. Cardinal Lounge, College Center.

6 pm — Financial Aid Outreach Program Dorm Workshop in Mason Hall.

7:30 pm — Hockey vs. North Adams State. Adults \$2., non-PSUC students \$1., PSUC students with ID 50¢. Ice Arena.

7:30 pm — Yoga Ski Demonstration. Open to all. College Center Ballroom A.

7:30 pm — Women's Basketball vs. McGill University. Field House.

8 pm — Champlain Chamber Series: BOREALIS, the University of Vermont Baroque Ensemble will perform a colorful variety of works by Bach, Handel, Domenico Scarlatti, and others in a program entitled "Chacun a Son Gout or a musical tour of 18th Century Europe." Hartman Theatre.

THURSDAY, JANUARY 31

3:30 pm — Resume Writing Workshop. Open to all students. Cardinal Lounge, College Center.

6 pm — Financial Aid Outreach Program Dorm Workshop in Macdonough Hall.

NOTES

ART EXHIBITIONS

The January Show — A selection of work produced by PSUC students — past and current is presented in this special visitors exhibition. Myers Fine Arts Lobby. Tuesday-Friday, 10 am-5 pm. Thursday until 9 pm, Sunday 2-5 pm.

Until January 25 Christmas Cards by Rockwell Kent. An exhibition of Christmas cards and related material by Rockwell Kent in the PSUC collection. Rockwell Kent Gallery in the Feinberg Library is open Tuesday-Friday 10 am-5 pm. Until February 6 Sculptures by Tom Gordon. Myers Fine Arts Lobby.

Financial Aid Outreach Center each Monday, Wednesday and Friday from 11 am-2 pm. College Center Hallway between the Point and the E.O.P. Office.

Volunteers are needed to act as Financial Aid Peer Counselors in your dorm and Campus Outreach Centers. The Financial Aid Office will train you to help answer your fellow students' Financial Aid questions. Please call 564-2242 or 2076 to volunteer a few hours of your time. An organizational meeting is planned for Sunday, January 27 at 6 pm in the basement lounge of Mason Hall.

Students, faculty and staff are invited to visit the Special Services Project on Tuesday, January 29, from 4 pm until 5:30 pm. Staff members will be available to answer questions about the SSP, according to Elizabeth Pasti, acting director of the project.

JANUARY 31, 1980

FOUNDATION RECORDS ANOTHER BANNER YEAR; INCOME TOTALS \$180,375

Contributions to the 1979 fund drive of the Plattsburgh College Foundation surpassed the \$180,000 mark during the year, establishing a new standard of giving to the institution's philanthropic organization. At their annual meeting on Monday, members of the Foundation were informed that gift income to the campaign from all sources totaled \$180,375, for an increase of \$21,710 over monies received in 1978. The amount represented an average increase in giving of 14 per cent — slightly higher than the national average for private voluntary support for all public institutions of higher education in the United States.

"We are grateful to those who make it possible to continue the scholarship and grant-in-aid program created and sustained by our Foundation," remarked E. Glenn Giltz, president of the Foundation. "The many who contributed, whether alumnus, business donor or other friend of Plattsburgh, demonstrated an abiding interest in the value of an education and a genuine concern for young people who can benefit from it, but who need financial help to achieve their objectives."

Highlights of the fund-raising year for the Foundation:

- **Endowment revenue**, totaling \$86,439, accounted for approximately 48 per cent of all income generated by the Foundation during the year. The bulk of the total was received from the sale of property (\$74,948) in the Essex County community of Willsboro — property donated to the Foundation in 1978 by North Country businessman, former College Council member and State Senator Eustis Paine and his wife, Paula;
- **Giving by the business community** continued to increase during the year, with 51 separate firms, including 12 first-time contributors, enriching the corporate giving program by \$44,205 in restricted and unrestricted gifts in 1979;
- **Gifts from alumni**, totaling \$23,016, increased by 15 per cent in comparison with the amount received in the previous year;
- **Contributors to the Foundation's Century Club**, an organization of individuals who make a minimum gift of \$100 to the College, grew by 97 new members during the year, representing a 19 per cent increase to an all-time high in membership of 250; and
- **The Cardinal Booster Club**, an organization of alumni, community residents and area businesses committed to the improvement of the men's and women's intercollegiate athletic programs at the College by contributing to a grant-in-aid fund for scholar-athletes who demonstrate financial need, broke all previous records in giving during the year. Booster Club income totaled \$7,065 — greater than \$2,000 more than the goal for the year.

"Most significantly," said Don Garrant, Executive Director of the Foundation and assistant to the president for college relations, "the generosity of contributors to the Foundation enabled us to award more than \$90,000 in scholarships and grants to a record number of students. Among the 509 recipients were many of our institution's most outstanding young people. These included top scholars, campus leaders and several others who distinguished themselves by way of extraordinary achievements, as members of the campus community, and in service to the North Country community."

In the past nine years, 2,069 students have shared in more than one-half million dollars in Foundation financial aid, for an average gift per student of \$219 during that span. Foundation income in the 1970's has increased yearly from \$11,233 in 1970, its first year of organized fund-raising, to a sum in 1979 that was 600 per cent-plus greater.

FOUNDATION ELECTS OFFICERS

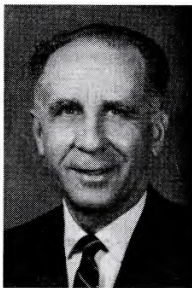

Three persons were elected to the Board of Directors of the Plattsburgh College Foundation at the organization's annual meeting, held Monday night at the Valcour Conference Center. Chosen for three-year terms were Plattsburgh Attorney Clude A. Lewis and Mrs. Alan (Jackie) Walker. Ms. Ann Beyer, president of the College's Student Association, was selected to serve a one-year term.

Re-elected as president of the Foundation was E. Glenn Giltz, president of Northern Insuring

Agency, who has served in that capacity since 1976. Also re-elected were Daniel L. Jerry, president of Vincent S. Jerry and Sons, Inc., vice president; Bernard J. Seawell, vice president for finance and management at the College, treasurer; and Mrs. Olive Flynt, assistant to the president at the College, secretary.

Also serving on the Foundation Board for the current year are: Mrs. Marjorie S. Bouyea, Dr. Herman Doh, Gilbert A. Duken, James E. Keable, Mrs. Margaret Q. Kennedy, John F. Longware, Albert F. Luck, Martin D. Mannix, Jr., Senator Ronald B. Stafford and Louis E. Wolfe. Ex-officio members of the board are College President Joseph C. Burke, Mrs. Judith L. Duken, who chairs the College Council; and Adrian "Bill" Wood, president of the Plattsburgh Alumni Association.

The Foundation membership includes about 80 persons who represent College faculty and administration, alumni, representatives of the student body, members of the College Council, and interested residents of the North Country community.

OFFICE OF RESIDENCE LIFE SPONSORING WOMEN'S ISSUES WEEK, FEBRUARY 4-8

Members of the College faculty and administration will be featured guest speakers in the Office of Residence Life's first-ever Women's Issues Week, scheduled February 4-8. The Monday through Friday program will be held each afternoon from 12-1:30 in the College Center Music Lounge. Topics will include male/female sex myths, women in higher education, sexist language, women in sports, and the changing role of women. Cecil Lundy, residence hall director and assistant program coordinator of residence hall programs, said that Women's Issues Week is an attempt to have more College faculty and staff participating in campus residence hall programs. "This is the first in a series of programs that will generate student awareness on college-related issues," Lundy said. Guest speakers include President Joseph Burke, Dr. Patricia Higgins, Dr. Ann Messer, Dr. John Middleton, and Dr. Stuart Voss. The calendar in this issue of WEEKLY lists each day's guest speakers and topics.

COLLEGE TO HOST OLYMPIC PHOTOGRAPHY EXHIBITION

Visitors and participants in the Lake Placid Winter Games will have an opportunity during the Olympic period to visit the College's Myers Fine Arts Gallery for an exhibition of photographic works by some 65 American artists. The exhibition, entitled "U.S. Eye," is being sponsored by the National Fine Arts Committee and will showcase 132 photographs from among more than 2,500 entries submitted by American photographers. Screening for the final selection began more than two years ago and selected photographs will provide viewers with an excellent outline of developing trends and directions in contemporary American photography. The Myers Fine Arts Gallery will feature the opening of the exhibition this Sunday, February 3, from 1 p.m. - 5 p.m. The exhibition will be on display until February 29. Special Olympic hours for the Gallery will be every day between the hours of 10 a.m. until 6 p.m., effective February 8-24.

SLIGHT MAJORITY FAVOR U.S. WITHDRAWAL FROM MOSCOW OLYMPICS

A WEEKLY reader poll conducted this week indicated that only a small majority of the College's faculty and student body are in favor of President Carter's recent decision to withdraw from the 1980 Summer Olympic Games if the Soviets continue to occupy Afghanistan. The poll's finding revealed that 59 per cent (92) of the 157 student body and faculty members surveyed were in favor of the U.S. not participating in the Moscow Games. Comments in support of President Carter's decision were these: "A U.S. withdrawal would indicate a harder line against the Soviets... a U.S. withdrawal would destroy the Soviet's Olympic propaganda campaign." The majority of comments against a U.S. withdrawal accused the government of trying to enter politics into international athletic competition. A breakdown of the poll indicates:

- 71 per cent (111) of the College student body and faculty felt the Soviet athletes should be admitted to the Winter Games in Lake Placid;
- 65 per cent (102) said the 1980 Summer Games should be moved out of Moscow; and
- 69 per cent (108) felt the Summer Games should be postponed until 1981 and then relocated.

weekly notes

Dr. Stuart Baum, professor of chemistry, has published the second edition of his textbook, "Chemistry: A Life Science Approach," a publication he co-authored with a Union College chemistry professor. The publication is used in one-year college undergraduate courses covering general, organic and biochemistry... **Robin Brown** and **Roger Williams**, instructors of art, are recipients of purchase awards from the Clinton County Council on the Arts for their entries in the juried exhibition, "Adirondack Photography Show"... **Dr. Melvin Donaho**, professor of communications, has been named to the International Who's Who in Education. The selection was made by a committee of distinguished educators in Cambridge, England... **Dr. John Malanchuk**, assistant professor of environmental science, is one of 14 environmental educators selected nationwide to participate in an Environmental Protection Agency workshop dealing with chemical fate of agricultural soil. The workshop will be in Portland, OR., February 5-6.

This Week on Campus

THURSDAY, JANUARY 31

3:30 pm — Resume Writing Workshop. Open to all students. College Center Cardinal Lounge.

FRIDAY, FEBRUARY 1 WINTER WEEKEND

Noon - 6 pm — International Art Exhibition. Art, artifacts and slides representing many of the 31 different countries of the foreign students at Plattsburgh. Free and open to the public. College Center Music Lounge.

7 pm — Concert Movie "Richard Pryor Live in Concert." Presented by Veterans Club. Students with ID 50¢, public 75¢. Tickets available at the door. Yokum Hall 200.

7:30 pm — Interservice Christian Fellowship Film: "The Effective Ambassador" and a tape "Working Together." Open to all. Clinton Upper Lounge.

SATURDAY, FEBRUARY 2

11 am - 4:30 pm — Accounting Class Volunteer Income Tax Program presented by the Accounting Club. Free and open to the public. College Center Conference Room.

Noon - 6 pm — International Art Exhibition. Art, artifacts and slides representing many of the 31 different countries of the foreign students at Plattsburgh. Free and open to the public. College Center Music Lounge.

1 pm — Men's JV Basketball vs. Champlain Regional College. Free. Memorial Hall Gym.

1 pm — Women's Basketball vs. Clarkson College. Free. Field House.

3 pm — Men's Basketball vs. Cortland State. Adults \$1.50, non-PSUC students \$1., PSUC students with ID 50¢. Memorial Hall Gym.

7:30 pm — Hockey vs. Hamilton. Adults \$2, non-PSUC students \$1, PSUC students with ID 50¢. Ice Arena.

10 pm — "Sadie Hawkins Day Semi-Formal" — A Touch of Romance. Sadie Hawkins Day is the day when an eligible male is forced to marry any woman who is able to catch him. Sadie Hawkins is celebrated the first Saturday in February in a leap year. Open to all students — \$1 per couple. Tickets available at the College Center Desk one week prior to the semi-formal.

SUNDAY, FEBRUARY 3

1 - 5 pm — Opening Reception for "U.S. Eye." National Olympic Photography Exhibition. A national juried exhibition, the show incorporates 132 works by over 50 artists as part of the 1980 Olympics. Exhibition continues to February 29. Myers Fine Arts Gallery.

1 - 5 pm — Opening Reception for Art Exhibition: The permanent collection of Rockwell Kent. A selection of the paintings, drawings, prints, books and ephemera in the PSUC collection. Rockwell Kent Gallery, Tuesday — Friday 10 am - 5 pm.

2:30 pm — Hockey vs. Colby. Adults \$2, non-PSUC students \$1, PSUC students with ID 50¢. Ice Arena.

7 pm & 9:15 pm — SA Films presents: "Texas Chain Saw Massacre" and "Cocoa's Earth Control." Students with ID 50¢. Hawkins Hall Large Auditorium.

MONDAY, FEBRUARY 4

Noon - 1:30 pm — Women's Issues Week. "Sexuality and Male/Female Sex Myths." Speakers: Ms. Beth Ann Reynolds and Dr. John Middleton. Open to all. College Center Music Lounge.

3:30 - 4:30 pm — Resume Writing Workshop. Open to all students. College Center Conference Room.

6 pm — Financial Aid Outreach Program Dorm Workshops. deFrenburg Hall, Moffitt Hall, Wilson Hall.

TUESDAY, FEBRUARY 5

Noon - 1:30 pm — Women's Issues Week. "Women in Higher Education." Speakers: Ms. Patricia Bentley and Dr. Joseph Burke. Open to all. College Center Music Lounge.

3:30 - 4:30 pm — Resume Writing Workshop. Open to all students. College Center Conference Room.

4 pm — Tuesday Reflections. Doug Skopp — "Fortune's Wheel — The Rise and Decline of Medieval Flanders" — a slide lecture. Open to all. College Center Cardinal Lounge.

6 pm — Men's JV Basketball vs. P.A.F.B. Free. Memorial Hall Gym.

6 pm — Financial Aid Outreach Program Dorm Workshops. Whiteface Hall, Adirondack Hall, Banks Hall.

8 pm — Men's Basketball vs. Binghamton State. Adults \$1.50, non-PSUC students \$1, PSUC students 50¢. Memorial Hall Gym.

8 pm — SA Concert Committee presents: The "Good Rats." Tickets available at the College Center Desk. Students with ID \$3, public \$5. Hawkins Hall Large Auditorium.

WEDNESDAY, FEBRUARY 6

10 am - 12 pm — Interview Training Workshop. Open to all nursing majors. College Center Music Lounge.

11:30 am - 1:30 pm — Recruitment for the Council of Community Services. College Center Lobby.

Noon — Brown Bag Theatre. Myers Studio Theatre.

1:30 pm — Women's Issues Week. "Sexist Language." Speaker: Dr. Anna Messer. Open to all. College Center Music Lounge.

3:30 pm — Resume Writing Workshop. Open to all students. College Center Conference Room.

6 pm — Women's Basketball vs. RPI. Field House.

6 pm — Financial Aid Outreach Program for Off-Campus students. College Center Music Lounge.

THURSDAY, FEBRUARY 7

Noon - 1:30 pm — Women's Issues Week. "Women in Sports." Speakers: Ms. Ann Kelley, Ms. Jan Edwards and Dr. Stuart Voss. Open to all. College Center Music Lounge.

7:30 pm — Review and discussion of Federal Legislation Affecting Employment. Sponsored by Office of Personnel and Affirmative Action in conjunction with the National Organization for Women. Open to all. College Center Music Lounge.

FRIDAY, FEBRUARY 8

Noon - 1:30 pm — Women's Issues Week. "The Changing Role of Women." Speakers: Dr. Patricia Higgins and Ms. Lynn Teplin. Open to all. College Center Music Lounge.

6 pm — Classes End for Olympic Break

7:30 pm — Hockey vs. Geneseo State. Adults \$2, non-PSUC students \$1, PSUC students 50¢. Ice Arena.

FEBRUARY 7, 1980

CHANCELLOR WHARTON TO TRUSTEES: STATE UNIVERSITY FACES GRAVE CRISIS

Stating that "the Governor's recent recommended budget for State University is far more serious than the massive reductions which took place in 1974-75," SUNY Chancellor Dr. Clifton R. Wharton, Jr., told the Board of Trustees last Saturday in Buffalo that the University faces a grave crisis. "Because the newest proposed reductions come after an extended period of inflation and erosion in support levels," Dr. Wharton told the Trustees, "the outcome of the 1980-81 budget will have a most profound effect on the long-range future of the SUNY system."

Questioning the State's commitment to public higher education, Dr. Wharton emphasized in his 12-page message to the Trustees that SUNY presidents and the Central Administration were not insensitive to the serious economic circumstances within the State, but to recommend such serious reductions in budget and personnel for State University is "ultimately a very poor trade-off for the people of New York State." "The proposed personnel reductions of more than 2,100 positions in nine months," Wharton said, "simply cannot be accomplished through attrition. The proposed personnel reductions have a far greater adverse impact upon the University than would be true if adequate time and planning were available."

Dr. Wharton told the Trustees that unless the Governor's budget cuts were either eliminated or reduced, SUNY would face several extremely difficult decisions: (1) closing a campus; (2) eliminating major academic programs; (3) merging campuses or individual programs; or (4) delaying or eliminating campus construction. He emphasized that additional non-tax support may come by further promoting SUNY public service, research, international programs, and private fund raising. "Regardless of the combinations of options chosen," Dr. Wharton added, "the first set of actions we must undertake is effectively managing these drastic shifts under shortened time restraints."

PLATTSBURGH ATTORNEY ELECTED COLLEGE COUNCIL VICE CHAIRMAN

Plattsburgh attorney Louis E. Wolfe has been elected Vice Chairman of the College Council. Wolfe, who was appointed to the Council by Gov. Carey in 1976, was chosen for the post by his colleagues at the February meeting of the Council.

A native of Plattsburgh and educated in the City's public schools, Wolfe received his undergraduate and law degrees from Cornell University. He was admitted to the New York State Bar in 1958 and is a former president of the Clinton County Bar Association. In 1964, Wolfe was elected to the State Assembly and served there until 1968. He was City Judge for the City of Plattsburgh from 1970 through 1972. Presently, he serves as chairman of the New York State Committee on Sports and Winter Olympics and as a member of the Plattsburgh City School District Board of Education and the State Democratic Committee.

PRESIDENT'S CLUB MEMBERS HONORED; PROVIDE 125 SCHOLARSHIPS IN '79-'80

Members of the College Foundation's President's Club were honored at a reception on Saturday night (Feb. 2) at the home of President and Mrs. Joseph C. Burke.

The President's Club comprises individuals, businesses and corporations who contribute a minimum of \$500 for student scholarships. Fifteen persons were awarded plaques citing their or their businesses' participation in the President's Club for the first time. Thirty-four persons received 1979 date tabs indicating that they or their businesses had participated in the program previously.

New members of the President's Club are Dr. and Mrs. Herodotos Damianos, Mr. and Mrs. Gilbert A. Duken, Mr. William Frandino, Mrs. Eurydice Damianos Loucopoulos, Mr. and Mrs. Albert F. Luck, Mr. and Mrs. Paul Malvese, Mr. and Mrs. James McKee, Jr., Mr. and Mrs. Harry Mowry, Clinton Press, Inc., Cronin Realty Co., Inc., A.N. Deringer, Inc., Diamond International Corporation, L & M Restaurant and Motel, Ormsby's Sports World, and the Press-Republican.

In presenting the plaques and the date tabs, President Burke said: "These are a small token of the great appreciation we have for your devoted support of the Plattsburgh College Foundation. The forty-nine President's Club members have made possible approximately 125 scholarships for Plattsburgh State students this year."

DR. BUCKLEY HONORED WITH SELECTION TO CANADIAN ACADEMIC CHAIR

Dr. Suzann Buckley, associate professor of history, has been selected as a Hannah Visiting Professor of Medicine by the Canadian Associated Medical Services. The academic honor, named after Dr. Jason A. Hannah, a pioneer in the establishment of Canada's prepaid medical care program, will provide Dr. Buckley with a six-month residence (January-June 1981) at the University of Ottawa to conduct research on the relationship between changes in Canadian medical technology and the decline in maternal mortality during the 1930's. A Hannah Chair in the History of Medicine has been established at each of the five universities in the province of Ontario. Dr. Buckley will conduct seminars on her research findings at the University of Toronto, McMaster University, Queens University, and the University of Western Ontario.

A member of the Plattsburgh State faculty since 1975, Dr. Buckley has presented papers and articles on Anglo-Canadian relations, British and Canadian women, and medical history. Her most recent research findings, published in an article entitled, "Ladies or Midwives? Efforts to Reduce Infant and Maternal Mortality in Canada," appeared in the Canadian text, "A Not Unreasonable Claim: Women and Reform in Canada." Dr. Buckley instructs courses on the history of Canada, Ireland, and Women in Europe. She is a member of the College's Canadian Studies Faculty and has been selected to the program committee for the Annual Meeting of the Canadian Historical Association to be held in Montreal this June.

STUDENTS PREPARED TO WORK AT OLYMPIC GAMES; FINAL COUNT CLOSE TO 1,300

When the opening ceremonies for the 1980 Olympic Games get underway next week in Lake Placid, nearly 1,300 Plattsburgh State students will be working at various assignments either directly or indirectly related to the XIII Winter Olympiad. Bette Simonowitz, campus coordinator for students working at the Olympics, has been hard pressed the last few weeks delegating assignments and finalizing schedules for students who will be working in Lake Placid during the Olympic period. Students have been hired on either volunteer or paid employee basis in the areas of food service, crowd control, security, maintenance, and communications. Simonowitz reported that the State Commerce Department has hired 18 Plattsburgh State students to serve as interpreters and information officers at various information booths located throughout the Olympic Game sites. Also, more than 100 mass media majors have been hired to serve in the broadcast, press, and communications areas. Food and nutrition majors have also been placed in jobs related to food service work.

The College's Auxiliary Services Office has reported that 1,200 students have registered for the College's Olympic Break Housing and Meal Plan and will be residing on campus throughout the February 9-24 vacation. In order to ensure the safety and security of all campus residents, and to provide for the proper use and control of residence hall facilities, College officials also have adopted the following housing terms and conditions: (1) special Olympic Break identification cards will be issued to each student occupying a room; (2) residence halls will be locked 24-hours-a-day, and new front door keys will be issued; (3) no guests will be allowed to remain in a dormitory room, and all unauthorized persons will be asked to leave; and (4) the scheduling of dormitory social events will not be permitted.

DR. DOH APPOINTED TO HEAD ACCREDITATION SELF-STUDY

Dr. Herman Doh, professor of English, has been appointed to head a faculty/staff self-study steering committee that will evaluate the College's overall academic programs for ten-year re-accreditation by the Middle States Association of Colleges and Secondary Schools. The steering committee will be responsible for completing a two-year self-study of the campus — a vital part in the College's accreditation process. The College is scheduled for re-accreditation during the 1982 academic year. Dr. Robert Kirkwood, executive director of the Middle States Association of Colleges and Schools, will visit the campus and begin the self-study process on April 2. His visit will include meeting with administrative staff, members of the self-study steering committee, College Council officials, faculty members, and a representative group of students. Dr. Jerome Supple, vice president for academic affairs, explained that approximately 12 faculty/staff members will be invited to join the self-study steering committee in the near future.

COMPUTER SCIENCE DEPARTMENT ESTABLISHES INTERNSHIP WITH JONES CELL SCIENCE CENTER

Susan Snow, a senior mathematics major from Monroe, has been selected to be the first participant in the College's computer science internship program with the W. Alton Jones Cell Science Center in Lake Placid. The internship, underway this semester, is designed to provide a Plattsburgh State student with field work training in computer programming and statistical analysis. Julius Archibald, chairperson of the computer science department, explained that the internship will provide nine-hours of undergraduate credit and require the student intern to report to Lake Placid three days a week. Internship responsibilities will include recording statistical data pertaining to the Center's on-going research into cell tissue culture analysis, cell growth, and the aging process. All programming is being done on the Center's up-to-date PDP-11 computer. Faculty advisor and developer of the College's newest internship affiliation with the Cell Science Center is Dr. Richard Jones, assistant professor of computer science.

FACULTY WIVES PLANNING 'ASIAN NIGHT' PROGRAM

The Plattsburgh State Faculty Wives Association, in conjunction with the College's Asian Studies Committee, is preparing a campus-wide "Asian Night" program for faculty, students, and the general public. The event, scheduled for Thursday, May 1, is being designed to educationally promote Asian culture, land, and heritage. More than 20 faculty wives along with faculty representatives from the College's Nursing, Home Economics, and History Departments attended the first "Asian Night" organizational meeting last week. Nominated as coordinators of the event were Aruna Gandhi and Nobu Itoh. Tentative activities for the "Asian Night" program include a buffet dinner consisting of exotic Asian menus, an Asian film festival, and a visit and informal discussion by several Chinese scholars. Persons interested in volunteering their efforts to the "Asian Night" program are asked to contact Dr. Caridad Buncab, assistant professor of nursing, at 2247.

weekly notes

Although Plattsburgh State students will make up the large majority of campus representatives working at the Olympic Games in Lake Placid for the next two weeks, the following is a list of College faculty and staff members who will be serving in various official capacities at the XIII Winter Olympiad: **Patricia Bentley** and **Robert Burton**, Feinberg Library, will be working as press stewards at the Mt. Van Hovenberg Olympic area. . . . **Ann Bigelow** and **Dr. Merritt Spear**, Health Services Center, will be part of the Winter Olympics medical staff. Bigelow will work in the various Olympic first aid facilities while Dr. Spear will be assigned to the hockey arena. . . . **Laura Dominy**, financial aids, will be coordinating the local volunteer Girl Scout effort at the Games. Her duties will include assigning Girl Scouts to serve as flag raisers at award ceremonies. Included in the list of Girl Scout volunteers are the daughters of **Herman Durocher**, buildings and grounds; **Dr. Ralph Hunkins**, education; **Dr. Roy Malpass**, behavioral science; and **Dr. James Mapstone**, sociology. . . . **John Fischer**, ERDC, will be chauffeuring athletes to various Olympic events. . . . **Al Hassler**, Dean's Office, will be one of six Olympic hockey goal referees. . . . **Dr. Hiroshi Itoh**, political science, and **Uwe Meyer**, student affairs, will be serving as official Olympic interpreters for foreign athletes and dignitaries. . . . **Bill Kelting**, business and economics, will be tabulating results from the judge's tower at the 70- and 90 meter ski jumps. . . . **Jeanne Pope**, Health Services Center, has been assigned to the Olympic Village as a press liaison and assistant coordinator of programming. . . . **Catherine Ralston**, financial aids, will be an usher at all Olympic figure skating events. . . . **Dr. Don West**, mathematics, will be on the hill crew team for the 70- and 90-meter ski jumps. . . . and **Dr. Charles Zinser**, geography, will be working at Whiteface Mountain as an alpine ski race official.

FEBRUARY 28, 1980

KEENE RESIDENT NAMED TO COUNCIL; PLATTSBURGH MAN REAPPOINTED

A Keene resident has been appointed to the College Council by Gov. Carey, and a Plattsburgh businessman has been reappointed.

The Keene resident, Mrs. Sarah Duggan Webb, will serve six years and fill the remainder of the term left vacant by the resignation of the late Dr. E. Yale Clarke of South Glens Falls.

The Plattsburgh businessman — Wayne H. Byrne — was first named to the Council by the late Gov. Rockefeller in 1969.

Webb, a native of New York City, is a graduate of Vassar College. Presently chairwoman of the Essex County Community Services Board, Webb moved to Keene with her husband, Grant Webb, in 1972. She is a former board member and chairwoman of the United Nations Hospitality and Cosmopolitan Clubs of New York City and was also a former member of the Vassar College Council. She remains active in Essex County local organizations such as the County's Mental Hygiene Association, Historical Society, and Garden Club. She is a Trustee of the Ausable Club in St. Huberts and is past vice president of Keene Valley Hospital.

Webb

Byrne

Byrne, a resident of Plattsburgh for more than 30 years, is president of M.P. Myers and Co., Inc., of Plattsburgh. A graduate of both Amherst College and Yale University, Byrne is past president of the New York State Citizens' Committee for the Public Schools, Inc., and a member of the Environmental Council for the Lake Placid Olympic Committee. Locally, he has served with the Clinton County Chamber of Commerce, is past president of the Clinton-Essex-Franklin Library System, the Adirondack Mountain Club and the Clinton County Historical Association. Since 1959, he has held a position on the North Country Advisory Board of Key Bank N.A., and currently serves as its chairman. Byrne is also a Trustee and Treasurer of Paul Smith's College and is past president of the State University Association of Council Members and College Trustees.

DR. STANLEY JOHNSON RESIGNS; ACCEPTS POST AT UNIVERSITY OF ALASKA

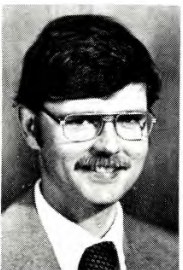

Dr. Stanley W. Johnson, professor of psychology and a member of the College faculty for the past 19 years, will leave Plattsburgh State at the end of the spring term to assume the position of Dean of the College of Education at the University of Alaska in Anchorage. Dr. Johnson joined the College's faculty as an assistant professor of psychology in 1962, and served as the Department's first chairperson. He was the first director of the Psychological Services Clinic and was chairperson when the psychology department was granted a graduate program. The author of five books on the topics of children's learning disabilities and college student orientation, Dr. Johnson was a five-year member of the SUNY Research Foundation Grants Committee and was the first director of the College's Office of Institutional Research.

In a letter informing President Joseph C. Burke of his decision, Dr. Johnson wrote: "These past 19 years have encompassed many instances of growth and development on our campus and I have considered it an honor to have been a part of some of them, and to have had the opportunity to closely associate with many fine members of the staff."

Dr. Burke responded: "During your 19 years of service you have seen Plattsburgh State grow from a single purpose teacher-education oriented institution to a multi-purpose liberal arts college. It is the efforts of faculty such as yourself that has greatly influenced the College's academic reputation over these years. Certainly your contribution as chairperson and professor greatly enhanced the reputation of our psychology department. All of us at the College will miss you and we wish you all the success at your new administrative position."

TWO FACULTY MEMBERS GRANTED SUNY AWARDS FOR UNDERGRADUATE INSTRUCTION

Dr. Byrne deGrandpre, assistant professor of education, and Dr. Stanley Johnson, professor of psychology, are among 27 undergraduate instructors throughout State University who will receive grant awards in this year's "Faculty Grants for the Improvement of Undergraduate Instruction" series. However, Dr. Johnson's recently announced resignation from the College faculty, effective at the end of the spring term, will require that he forfeit the award to the SUNY Research Foundation. Both instructors were designated by a SUNY-wide selection committee to receive the awards from among 168 faculty who applied for funding. Now in its eighth year of existence, the awards recognize superior teaching and disciplinary inquiry among its undergraduate faculty. SUNY faculty who receive awards may be granted up to \$2,000 under the program.

deGrandpre's award will be used to produce ten videotapes to instruct special education majors in student testing skills. Undergraduates will learn through the use of videotape simulations the basic skills included in test scoring, test administering, and test interpretation procedures. The videotapes will be produced this summer with the assistance of the College's Instructional Resources Department.

The value of this year's undergraduate instruction awards totaled \$50,000 and spanned a wide range of curricular interests and professional endeavors.

Rally for SUNY • March 6 • 7 p.m. • Hawkins Hall

DR. PHILLIPS NAMED TO SUNY COUNCIL ON NURSING EDUCATION

Dr. Lorraine Phillips, chairperson of the College's Nursing Department, has been named to a State University Council on Nursing Education that will advise Central Administration on policy and program developments in the field. The Council, comprised of distinguished faculty members and administrators from six university campuses, is an outgrowth of SUNY's conference last September on nurse education, the first such University-wide meeting.

Chancellor Clifton R. Wharton, noting that SUNY's grants the largest number of nursing degrees in the State, said the formation of the Council "reaffirms the University's continuing commitment to the growth and development of its nursing education programs." The Council includes representatives of the five types of State University campuses which prepare nurses and nurse educators, plus one campus president. The Council will work directly with Dr. Alden N. Haffner, associate chancellor for the health sciences in SUNY's Central Administration, on issues which affect the University's 39 degree programs at the associate, bachelor's and master's degree level, and its six different certificate programs in nursing.

SUNY's enrollment in all types of credit course programs in nursing exceeds 10,000 students each year and annually awards about 3,200 nursing degrees. Plattsburgh State's contribution to these figures represents 400 full-time nursing students and an average of 76 nursing degrees granted each year.

CAMPUS 'RALLY FOR SUNY' SCHEDULED FOR NEXT THURSDAY; LOCAL STATE LEGISLATORS MAY ATTEND

A campus rally in reaction to the Governor's proposed 1980 budget cuts for State University is being planned for next Thursday (March 6) at 7 p.m. in Hawkins Hall Large Auditorium. A list of campus faculty and student speakers and invited guests — including Assemblyman Andrew Ryan and State Senator Ronald Stafford — will address the rally on issues concerning the Governor's proposed budget and position cuts earmarked for SUNY during the 1980-81 fiscal year. Dr. David Mowry, assistant professor of philosophy and co-organizer of the rally, emphasized that the Thursday forum is open to participation to anyone concerned with the future of the State University. "The entire college and community is invited to attend the rally," Mowry said. "We hope that by presenting a chance for individuals to voice their opinions over the Governor's proposed budget for State University we can make more people aware of the unified effort needed to save public education in New York State."

'CAMPUS POET SERIES' TO BE HELD DURING MARCH

Members of the College faculty and student body will have an opportunity to read their own original works of poetry during the month of March in a "Campus Poets Series" sponsored by the Arts and Science Faculty and Student Association. Dr. George Abbe and Dr. Stanley W. Johnson will open the first series on Monday, March 3, beginning at 8 p.m. in the College Center Conference Room. The series will be held on successive Mondays at the same place and time. Dr. Thomas Braga, associate professor of French, will coordinate the series and will open each session with brief introductions. Dates and scheduled readers for the remainder of the series are: March 10, Dr. Thomas Braga and Dr. John Goldthwait; March 17, student poets to be announced; March 24, Dr. Arthur Newgarden; and March 31, student poets also to be announced.

HOCKEY TEAM TO HOST NORWICH IN ECAC PLAYOFFS; BASKETBALL TEAM INVITED TO REGIONALS

Plattsburgh State's varsity men's hockey and basketball teams are both entered in post-season playoff competition this weekend as reward for their successful regular season campaigns. Coach Lou Frigon's hockey squad, finishing the year with a 21-6-2 overall record, have earned a berth in the ECAC playoffs for the third consecutive year. The Cardinal icers are seeded second in the tournament and will host number seven seed Norwich University at the Field House this Saturday (March 1) at 7:30 p.m. Tickets for the contest are \$3.50 for reserve seats, \$2.50 for general admission, and \$1.50 for college students. Tickets are available at the College Center Desk and Field House Ticket Office. All season passes are suspended for the playoffs.

Coach Norm Law's basketball squad will participate for the second consecutive year in the ECAC Division II-III Regionals in Rochester this weekend. The Cardinals face host RIT in a Friday evening contest with the victor playing the winner of the Elmira vs. Hamilton College game in Saturday's championship. The overall champion will not advance further in ECAC playoff competition.

This Week on Campus

THURSDAY, FEBRUARY 28

2:00 pm — Political Science Colloquium on Human Rights (Japan). Open to all. Cardinal Lounge College Center.

5:30 pm — R.A. Selection. College Center Ballroom.

8:00 pm — S.A. Concert Committee presents Steve Forbert. Students with S.A. I.D. \$3.00, Public \$5.00. Tickets on sale at College Center desk, Cahill's, Record Giant, Bailey Music, Scott's Discount Equipment. Concert will be given at Hawkins Hall Large Auditorium.

FRIDAY, FEBRUARY 29

7:30 pm — North Country Planetarium Show. Astronomical almanac for March. Free and open to the public. Tickets available at Hudson Hall Main Office.

7:30 pm — Interspersed Christian Fellowship Meeting. Clinton Dining Hall.

NOTES

Senior Arts Students present the March Show, an exhibition of works produced at PSUC. Myers Fine Arts Lobby. Mon.-Fri. 10 am to 5 pm, Thur. until 9 pm, Sun. 2 - 5 pm.

The Upward Bound Program is looking for **summer counselors**. Applicants must be willing to serve as resident assistants for North Country high school students from low economic backgrounds for a seven week period this summer. Applications can be obtained from Upward Bound Office, second floor 133 Court Street. Application deadline is March 14. Salary is \$750.00 plus room and board.

Applications for the Tissue Culture Technologist Program (not to be confused with the In Vitro Cell Biology Program) are being accepted in the Department of Biological Sciences Office (SI 207) until Friday 4 pm, March 7. A complete application form, three letters of recommendation and current transcript with a list of enrolled courses in the Spring, 1980, and a statement of purpose for applying to this program must also be submitted. See Dr. Liu (SI 207) for further information.

MARCH 6, 1980

FACULTY SENATE COMMITTEE TO AWAIT FINAL BUDGET RECOMMENDATION

The Faculty Senate Standing Committee on Resources and Planning will await formal notification from Albany of the final 1980-81 budget for the College before proceeding further with discussions with President Joseph C. Burke on possible funding and position reductions which might result from Governor Carey's Executive Budget. At its February 29 meeting, the Committee decided to reconvene when the final budget figures are received to consult with the President on a draft plan which he will submit for consideration.

The Committee, in accordance with Faculty Bylaws, Article II, Section 2.11, has the general responsibility for advising and consulting with the President in the following areas, among others: preparation and revision of budget requests, Master Plan and similar documents; the College's philosophy and mission; distribution of funds and other resources, including personnel; and administrative organization or reorganization of the College or its components. The Committee has met five times since January 28, but has not yet made recommendations. Rather, the meetings to date have entailed item-by-item review and discussion of the College's total budget in an effort to familiarize the members with all aspects of that document.

The membership consists of one Faculty Senator elected annually by the Senate to serve as Committee Chairperson (Dr. Charles Mitchell) and twelve voting faculty elected for two-year staggered terms from and by the governance units as follows: six from Arts and Science (Dr. Prem Gandhi, Dr. H.Z. Liu, Dr. Robert Jirsa, Dr. John L. Meyer, Dr. George Pasti, one position currently vacant); one each from Library (Mr. Joseph Swinyer) Student Affairs (Ms. Cheryl Hogle), and College Support Services (Ms. Daui Woodin); and three from General and Professional Studies (Dr. Robert Miller, Dr. Mildred Dominy and Dr. James Ashe). The Vice Presidents for Academic Affairs, Student Affairs, and Finance and Management are ex-officio, non-voting members of the Committee.

CONGRESSWOMAN ELIZABETH HOLTZMAN ACCEPTS INVITATION AS SPRING COMMENCEMENT SPEAKER

Congresswoman Elizabeth Holtzman (D-NY), the youngest woman ever elected to the U.S. House of Representatives, has accepted President Burke's invitation to speak at the College's 90th spring commencement exercises on Sunday, May 18. A member of Congress since 1973, Holtzman is actively campaigning for a U.S. Senate seat in the 1980 Democratic primaries. Recognized as one of Capitol Hill's staunchest supporters of women's rights, the Brooklyn representative authored the most recent legislation extending the deadline for ratification of the Equal Rights Amendment, and led the fight for its successful passage. Rep. Holtzman helped to found the first Congresswoman's Caucus — a bipartisan group dedicated to improving the social and legal status of women. She is a member of the House Budget Committee and chairs the Committee's Task Force on State and Local Government. Rep. Holtzman is also a member of the House Judiciary Committee and serves as the Chair of the Subcommittee on Immigration, Refugees, and International Law.

Rep. Holtzman is a graduate of Radcliffe College and Harvard Law School. In 1976, she was elected to the Board of Overseers of Harvard University. She was chosen as May commencement speaker from a number of candidates by a nine-member all-campus speaker selection committee headed by President Burke.

14 FACULTY RECEIVE SUNY RESEARCH GRANTS TOTALING \$40,250

Fourteen members of the College faculty will share more than \$40,000 in Faculty Research Fellowships and Grants-in-Aid awarded by the State University Research Foundation, it was announced earlier this week by Dr. Paul Roman, Plattsburgh State Dean of Graduate Studies and Research. The grant funding is the largest ever awarded by the SUNY Research Foundation to members of the College's faculty.

Recipients of this year's research awards, their faculty rank and grant titles are: **Dr. Thomas Braga**, associate professor of foreign languages and literature, "Castro Alves: Brazil's Abolitionist Condor Poet"; **Dr. James Brown**, assistant professor of environmental science, "Precipitation of Phosphate from Septic Tank Effluent"; **Dr. William Culver**, assistant professor of political science, "Politics, Copper and Underdevelopment in 19th Century Chile"; **Ira Domser**, assistant professor of theatre, "Lumina, The Art of Light, and Its Effect on Muscle Tone"; **Dr. William Hendrix**, assistant professor of environmental science, "An Ecological Land Classification for Clinton County, NY"; **Dr. William Krueger**, associate professor of chemistry, "Reactions of Nitrosamines"; **Dr. John Lewis**, associate professor of physics, "Electrical Conduction Studies of a Linear Polymer"; **Dr. Roy Malpass**, associate professor of behavioral science, "Defendant-Foil Similarity and the Effective Size of Lineups"; **Dr. John Moravek**, assistant professor of geography, "Adirondack Iron Industry: A Spatial and Temporal Analysis"; **Dr. Thomas Morrissey**, assistant professor of English, "Ambiguity and Ambivalence in J.M. Synge"; **Dr. James Peoples**, assistant professor of anthropology, "Nature and Class in Eastern Micronesia"; **Dr. Harvey Schantz**, assistant professor of political science, "Nominations for the United States House of Representatives"; **Dr. Sitaram Shastry**, professor of physics, "Directional Correlation Measurements in 147 EU and 147 SM"; **Dr. Daniel Watermeier**, professor of theatre, "Fortune's Buffets and Rewards: Edwin Booth in His Time."

Dr. Roman announced that this year's combination of fellowships and grants-in-aid increased by four over last spring and by 10 over the 1978-79 academic year. "The 14 recipients were selected from among 30 Plattsburgh State faculty who applied for 1980-81 SUNY Research Awards," Dr. Roman said. "The substantial increase over the past two years in the number of research grants awarded by SUNY is proof that our faculty is increasing its efforts in obtaining external funding for private research."

Rally for SUNY • Thursday • 7 p.m. • Hawkins Hall

STAFFORD, RYAN ACCEPT INVITATIONS TO ATTEND CAMPUS RALLY FOR SUNY

Senator Ronald B. Stafford and Assemblyman Andrew Ryan have accepted an invitation to join with faculty and students in addressing Gov. Carey's proposed 1980-81 budget for State University at this Thursday evening's "Rally for SUNY." Open to the public as well as students, faculty, and staff, the rally will offer an opportunity for discussion, questions, and answers among those concerned about proposed budget and position cuts earmarked for SUNY. Other scheduled speakers at the rally include Ann Beyer, president of the Student Association; College President Dr. Joseph Burke; Mrs. Judith Duken, local delegate to the SUNY Board of Trustees; and representatives of United University Professions (UUP) and the Civil Service Employees Association (CSEA). The rally is scheduled to begin at 7 p.m. in the Hawkins Hall Large Auditorium.

DR. LEONARD APPOINTED RESIDENT ADVISOR TO SUNY-MOSCOW UNIVERSITY EXCHANGE PROGRAM

Dr. Carol Leonard, assistant professor of history and the College's resident expert in Russian foreign policy and affairs, has been appointed for a second time as State University's advisor to the SUNY-Moscow University Exchange Program. Dr. Leonard will leave for Moscow this fall to coordinate the program with Moscow University college officials. Approximately 20 SUNY graduate students and faculty members enroll annually in the overseas research and study program. Participants from SUNY's 64-campus can enroll in the program for a period of three months to a year. Enrollees selected to the program must be involved in research and study relevant to Soviet foreign affairs, domestic policy, government or history. During her one-year residency in Moscow, Dr. Leonard plans to continue historical research into 18th and 19th century Russian serfdom. Her research in this area was funded this past year by a SUNY Faculty Research Grant.

Dr. Leonard previously served as resident advisor to the SUNY-Moscow University during the 1977-78 academic year. A member of the Plattsburgh State faculty since 1974, she has been associated the past two summers with the Russian Research Center at Harvard University.

MARKETING STUDENTS, AREA BUSINESSES, PARTICIPATING IN MARKETER-FOR-A-DAY PROGRAM

More than 40 members of the Plattsburgh State Collegiate Chapter of the American Marketing Association are spending this week (March 3-8) as interns with local business people as part of the College's first-ever "Marketer-For-A-Day Program." Nancy Church, instructor of business and economics and advisor to the campus marketing club, explained that 45 local business people agreed to allow a Plattsburgh State student to observe for one week the marketing aspect of their professions. Businesses involved in the program included banks, advertising agencies, retailers, real estate firms, insurance companies, and supermarkets. "Response from the entire Plattsburgh business community was overwhelming," Church explained. "For both the students and businesses involved, I'm sure this program will lend a positive influence to our campus/community relations."

NOTED FILMMAKER TO ATTEND CAMPUS FILM FESTIVAL IN HIS HONOR

James Ivory, well-known American director since the early 1960's, has been invited to campus by Dr. Edgar Burde, associate professor of English, to attend a campus film festival featuring some of the filmmaker's most noted works. The festival, featuring four of Ivory's better known productions, will begin Wednesday (March 12) and continue through Saturday (March 15). All four films will be free and open to the public. Ivory's most recent and most publicized work "The Europeans" will be presented at Hawkins Hall on Friday (March 14) at 8 p.m. The movie, based on the novel by 19th century American author Henry James, will be followed by a discussion with James Ivory. Ivory will also be in attendance on Saturday (March 15) when his film "Autobiography of a Princess," is shown at 3 p.m. in Yokum Communications Hall Room 200. The Friday presentation of "The Europeans" will be the premiere showing of the film in the Plattsburgh area. The calendar in this issue of WEEKLY lists each day's featured Ivory film and specific presentation times.

THURSDAY, MARCH 6

3:30 — Interview Techniques Workshop. Open to all students.

4:00 pm — Art Exhibition Opening — Grace Hartigan — paintings since 1970. Beginning with the last of her abstract works, this exhibition of paintings and watercolors will examine the artist's productions since she has returned to a figurative idiom. Exhibition continues to April 13. Myers Fine Arts Gallery.

4:00 pm — Opening of Exhibition — Miriam Schapiro — Works on Paper. A series of recent paintings on paper in the "pattern" style associated with this artist's work. The show will give a clear example of this current painting style while exhibiting various aspects of the artist's interests. Kent Gallery in the Feinberg Library. Continues to April 3.

5:30 pm — R.A. Selection. College Center Ballroom A.

7:00 pm — Concerned Students and Faculty Rally on SUNY Budget Cuts. Legislators Ronald Stafford and Andrew Ryan have been invited to participate. Hawkins Hall Large Auditorium.

8:00 pm — Visual Artists Series presents Lecture by Grace Hartigan. This important abstract expressionist painter discusses aesthetic social and political aspects of the art world in New York City during the 50's and 60's. College Center Ballroom B.

FRIDAY, MARCH 7

7:30 pm — International Film Festival — "Children of Paradise." Open to all. Hawkins Hall Large Auditorium.

7:30 & 8:30 pm — SUNY North Country Planetarium. Planetariums as we know them today, have only existed for about 50 years. Our own projection equipment, usually obscured by darkness, is the "star" of this show which demonstrates what a planetarium is and explains how it works. Free tickets can be obtained from the main office of Hudson Hall. Hudson Hall Planetarium.

SATURDAY, MARCH 8

9:00 am — Montreal bus leaves from Memorial Hall, tickets are on sale at the College Center desk for \$5.25. Bus departs Montreal at 6:00 pm.

7:00 pm — Anthropology Club. Lecture on Exkancar. College Center Music Room. Open to all.

7:00 pm — Vet's Club Movie "Enter the Dragon" with Bruce Lee. Hawkins Hall Large Auditorium. With ID. 50¢, public 75¢. Tickets available at door.

8:00 pm — 50's Dance. R.A. project. College Center Ballroom.

SUNDAY MARCH 9

5:00 pm — Tour Guide Meeting. College Center Cardinal Lounge.

5:30 pm — R.A. Selection. College Center Ballroom.

7:00 pm — S.A. Films presents Elvin Night — Summer Fun: with "The Trouble with Girls," "Viva Las Vegas," and "Bikini Beach." Students with ID. 50¢. Hawkins Hall Large Auditorium.

7:30 pm — Unique Swimming and Diving Competition. Memorial Hall Pool. Open to all.

MONDAY, MARCH 10

2:00 pm — Art Opening — Problems in Art Exhibition. "Inner Visions of Heiss and Lang." College Center Cardinal Lounge. Open to all.

3:00 pm — Club Canada Meeting for election of officers. Open to all people interested in Canada. College Center Conference Room.

7:00 pm — Meeting for all those interested in Women's Awareness. College Center Meeting Room 2.

8:00 pm — Campus Poet Series presents Thomas Braga and John Goldthwait reading from their own works. Open to all. College Center Conference Room.

TUESDAY, MARCH 11

2:00 pm — Political Science Colloquium on Human Rights. College Center Cardinal Lounge.

3:30 pm — Interview Techniques Workshop. College Center Music Lounge. Open to all students.

7:30 pm — Kappa Delta Pi presents a workshop — "Body Movement Therapy." Open to all education majors. College Center Ballroom B.

8:00 pm — Champlain Chamber Music Series presents Robert Cancellosi, cellist; Kathryn Stuart, pianist. Hartman Theatre. Free to all.

WEDNESDAY, MARCH 12

Noon — Brown Bag Theatre. Myers Studio Theatre.

3:30 pm — Interview Techniques Workshop. College Center Music Lounge. Open to all students.

4:00 pm — Professional Studies Colloquium. Opportunity to use a desk top computer will provide a brief introduction to key computer concepts. Users having significance for professional education will be considered, including information retrieval, computer assisted instruction, simulation of real world problems, artificial intelligence, research and statistics. Presented by Dr. Richard Manganel. E.R.D.C. Cafeteria.

8:00 pm — Lawyer Information Workshop. College Center Cardinal Lounge.

4:15 & 8:00 pm — James Ivory film festival presents

"Savages." Hawkins Hall Large Auditorium. Open to all.

8:30 pm — Bands in the Pub presents a Band. College Center Ballroom. 50¢ at the door.

THURSDAY, MARCH 13

3:30 pm — Interview Techniques Workshop. College Center Music Lounge. Open to all students.

4:15 & 8:00 pm — James Ivory film festival presents

"Roseland." Hawkins Hall Large Auditorium. Open to all.

5:30 pm — R.A. Selection. College Center Ballroom.

8:00 pm — Speakers Forum presents Jay Anson, author of "Amityville Horror." 50¢ with ID., public \$1.00. Tickets available at College Center Desk and the door.

FRIDAY, MARCH 14

4:00 pm — End unrestricted course withdrawal period.

7:00 pm — InterVarsity Christian Fellowship sponsors a Coffeehouse. Music Lounge College Center. Open to all.

8:00 pm — James Ivory film festival presents "The Europeans" followed by a discussion with James Ivory. Open to all. Hawkins Hall Large Auditorium.

10:00 pm — End of quarter.

NOTES

MARCH 13, 1980

JUDITH L. DUKEN RECEIVES SENATE CONFIRMATION TO SUNY BOARD OF TRUSTEES

Governor Hugh L. Carey's nomination of Mrs. Judith Lasher Duken to a nine-year unsalaried term on the State University Board of Trustees was confirmed Tuesday (March 11) by the New York State Senate.

Mrs. Duken, chairman of the Plattsburgh College Council and a 1959 graduate of Plattsburgh State, was nominated for the Board of Trustees by the Governor last November. Her confirmation by the Senate was based on a recommendation by the Senate's Higher Education Committee. The Senate's action designates Mrs. Duken as the first State University of New York alumnus to be named to the University's governing board. In accepting the Trusteeship, Mrs. Duken will be required to resign her position as a member of the Plattsburgh College Council, a post she has held since 1970.

"As a professional educator, I am both pleased and overwhelmed to be able to represent this region of New York in the area of higher education," commented Mrs. Duken on her appointment to the Board. Mrs. Duken will represent the northern region of the state on the 16-member Board which determines all policies governing 34 of the University's four-year campuses, agricultural and technical schools, and specialized colleges.

Among those who saluted Mrs. Duken on the occasion of her confirmation was President Joseph C. Burke. "This is indeed an honor for Mrs. Duken and I'm delighted that a graduate from our College has been selected as the first SUNY alumna to the Board," he said. "I know her interest in and devotion to higher education as well as her experience as Council chairperson will be a real asset to her in her new position."

Plattsburgh Attorney Louis E. Wolfe, vice chairman of the College Council, is expected to be named acting chairman of the Council pending the Governor's appointment of a new chairman in the near future.

BURKE RESPONDS TO GOVERNOR'S STATEMENT ON STATE SPENDING FOR HIGHER EDUCATION

President Joseph C. Burke has differed with a statement attributed to Governor Carey in which the governor is quoted as saying that the State of New York leads all other states in the Union in per capita spending for higher education. The statement apparently was made Monday in Albany during a confrontation between Carey and demonstrators lobbying against funding cuts for SUNY, and reported by United Press International.

"The latest available statistics, published last October in *The Chronicle of Higher Education*, show that New York ranks 25th among the states in appropriations per capita of state funds for higher education," said Burke. "Moreover that ranking includes total spending for higher education in our state — for private as well as public institutions. It should be quite clear that New York would fall several places on the scale if funds appropriated for private colleges and universities were excluded."

PLATTSBURGH'S MANAGEMENT APPROACH CONTRASTED WITH BU'S

A "Saturday Review" article (March 15, issue) highly critical of the administrative style of Boston University President John Silber places Plattsburgh State in select company with a few other leading American universities whose approaches to problem-solving in higher education are considered by the author to be much better by comparison.

The article, by Stephen Arons, an attorney and professor of legal studies at the University of Massachusetts at Amherst, argues that "Silber's educational vision seems impaired by his failure to understand and build his university's major asset — the morale, good will, and creative contribution of the faculty." It continues: "State Universities like the University of California and the *State University of N.Y. at Plattsburgh*, and private universities such as Stanford and NYU are, like Boston University, already facing the hard choices in the zero-sum game arising from the economics and demographics of the 1980's. The problems of revamping and maintaining the quality of curriculum providing a vigorous but secure atmosphere for faculty, and enriching the lives of students and the understanding of society are all accentuated by predictions of continued inflation, recession, and a downturn in college enrollments through 1992.

"...there is already evidence that presidents who face these dilemmas would like to dissociate themselves from the BU president's methods...."

STAFFORD TO RALLY AUDIENCE: 'SUNY CUTS MAY BE RESTORED'

Opening last Thursday's "Rally for SUNY," State Senator Ronald B. Stafford told the audience of more than 500 faculty, staff, students, and SUNY supporters that a sub-committee of the state's finance committee on higher education has recommended that a \$26 million proposed budget cut for State University's 1980-81 budget be restored in full. Clarifying that statement the next morning, a spokesman in the Senator's Albany office explained that fear of losing money for existing positions was the main reason the sub-committee recommended that the SUNY budget cuts be restored in full. However, Stafford cautioned that before any proposed reductions for SUNY are restored in the general state budget, the Assembly and the Governor's Office have to agree.

Stafford, along with College President Joseph C. Burke, Assemblyman Andrew Ryan, and representatives of the College Council, the United University Professions, (UUP), the Civil Service Employees Association (CSEA), and the student body, all urged that State University's budget be restored and encouraged SUNY supporters to let their voices be heard in Albany. Assemblyman Ryan urged students to contact representatives from their home areas, especially if they live in a district with no State University campus nearby.

Questioning the assumption that SUNY has no political support in Albany, President Burke asked rally supporters, "How can an institution with 750,000 alumni, 350,000 students and 32,000 faculty and staff have no political clout? The only thing SUNY's short of now is time," the President said, and asked the audience to plea to the cause not only for the 1980-81 SUNY budget, but for SUNY for the rest of the decade. "I think some restoration of the budget may be made this year," Burke said, "but that doesn't help the future."

RECRUITER CAREER NIGHT SCHEDULED FOR MARCH 20

More than 60 representatives of social service, law enforcement, business and industry, state and federal government, public service, the health professions, retailing, and the military will participate in a recruiter/career night at Plattsburgh State on Thursday, March 20. The annual event, sponsored by the Career Planning and Placement Office, provides students with the opportunity to discuss job qualifications and position availabilities with local working professionals. The program will be conducted from 7 p.m. to 9 p.m. in the Ballroom of the College Center. All interested persons are invited to attend.

On Friday, March 21, 18 of the representatives attending recruiter/career night will be available in the College's Placement Office to formally interview interested seniors. A complete list of those employers conducting interviews is now available in the Office of Career Planning and Placement. Letters providing information on how to arrange for scheduled interview times for Friday have been mailed to graduating seniors. "Annually, recruiter/career night is the culmination of the Career Planning and Placement Office's attempt at bringing job recruiters to campus," explained Fran Patnode, organizer of the two-day employment opportunity activities. "We urge all graduating seniors to attend both activities and obtain some real answers on what to look forward to in the job market."

WEST GERMAN PROFESSOR TO VISIT CAMPUS ON NATO GRANT

Dr. Dirk Reinen, professor of chemistry at Philip University of Marburg, West Germany, will be arriving on campus next Wednesday (March 19) to conduct a joint research project with Dr. Gerald Kokoszka, Plattsburgh State professor of chemistry. Awarded funding approval through a NATO research exchange grant, Dr. Reinen will be on campus the remainder of this month to conduct his on-going research concerning the structural changes in particular chemical crystals. The West German arranged for his visit to campus after Dr. Kokoszka invited him to use the College's laboratory facilities and equipment for his research activities. Over the past few years, both professors have shared similar research findings. Under a NATO reciprocal agreement, Dr. Kokoszka plans on visiting the Marburg campus this summer. Dr. Reinen will conduct a lecture on his research activities on Thursday (March 20) at 4 p.m. in Hudson Hall Room 106.

DATES FOR MIDDLE STATES OFFICIAL TO VISIT CAMPUS CHANGED

The date for the first official campus re-accreditation visit by Robert Kirkwood, executive director of the Middle States Association of Colleges and Schools, has been changed from Wednesday, April 2 to Thursday, March 27. Kirkwood's one-day visit to campus has been scheduled to discuss guidelines for the College's re-accreditation self-study. Kirkwood will meet with Dr. Herman Doh, newly appointed chairman of a faculty/staff self-study steering committee, along with College Council officials, faculty members, and a representative group of students.

SUMMER HOCKEY SCHOOL TO FEATURE NHL ALL-STAR DAVE TAYLOR

Dave Taylor, 1980 NHL All-Star and star right wing of the Los Angeles Kings, will be the featured instructor at the Fourth Annual Plattsburgh State Summer Hockey School, July 20-26. The former Clarkson College All-America will be part of coach Lou Frigon's five-member instructional staff that will conduct the one-week school for hockey players between the ages of 8-14. The one-week session will feature individual and group instruction in all phases of the game, supplemented by a sports and recreation program under the supervision of College professional staff. Tuition for the one-week session is \$95.00. An application fee and tuition deposit of \$35.00 must accompany the registration form for the school. The balance of \$60.00 must be paid by the July 1 deadline. Enrollment to the school will be limited, so prospects are urged to apply early. For further information and application forms, write or call the College's Health, Physical Education and Recreation Department, 564-3140 or 3141.

This Week on Campus

THURSDAY, MARCH 13

3:30 pm — Interview Techniques Workshop. College Center Music Lounge. Open to all students.

4:15 & 8:00 pm — James Ivory Film Festival presents "Roseland." Hawkins Hall Large Auditorium. Free to all.

4:00 - 8:00 pm — "Inner Visions" by Heiss and Lang. Art Exhibition open to public. College Center Cardinal Lounge.

5:30 pm — R.A. Selection. College Center Ballroom.

8:00 pm — Speakers' Forum presents, Jay Anson, author of "Amityville Horror." 50¢ with I.D., public \$1.00. Tickets available at College Center Desk and the door.

FRIDAY, MARCH 14

10:00 am - noon — "Inner Visions," by Heiss and Lang. Art Exhibition open to the public. College Center Cardinal Lounge.

4:00 pm — End of unrestricted course withdrawal period.

7:30 & 8:30 pm — S.U.N.Y. North Country Planetarium presents, "The Multitude." Within our solar system there are nine known major planets and countless smaller objects. Some of these smaller ones speak of a time when great collisions occurred, when entire worlds were shattered. They also hint of strange small worlds that may wander from star to star. They also hold the mineral wealth of future generations. Free tickets can be obtained from the main office of Hudson Hall. Hudson Hall Planetarium.

8:00 pm — James Ivory Film Festival presents, "The Europeans," followed by a discussion with James Ivory. Open to all. Hawkins Hall Large Auditorium.

10:00 pm — End of quarter.

SATURDAY, MARCH 15

3:00 pm — James Ivory Film Festival presents, "Autobiography of a Princess," followed by a discussion with James Ivory. Open to all. CL 200.

SUNDAY, MARCH 16

2:00 pm — Folk Music Group, Sharing Songs. All interested musicians, singers and listeners of folk music are welcome. College Center Cardinal Lounge.

5:30 pm — R.A. Selection. College Center Ballroom B.

7:00 pm — Wilson Hall Staff presents, "Roommate Game." Wilson Hall residents. Upstairs Clinton Dining Hall.

7:00 pm — S.A. films presents, "The Spy Who Loved Me," and "On Her Majesty's Secret Service." Students with I.D. 50¢. Hawkins Hall Large Auditorium.

MONDAY, MARCH 17

10:00 am - noon — "Inner Visions" by Heiss and Lang. Art Exhibition open to public. College Center Cardinal Lounge.

Noon — Alcohol Awareness. All welcome. Music Lounge College Center.

8:00 pm — Campus Poet Series presents, Student Poets. These readings will be original works. All welcome. College Center Conference Room.

TUESDAY, MARCH 18

Noon — Alcohol Awareness. "Fetal Alcohol Syndrome" presented by Kathy Sajor. Music Lounge College Center.

1:00 pm — Political Science Colloquium on Human rights in Western Europe. All welcome. Cardinal Lounge, College Center.

4:15 pm — History Club Meeting. This Tuesday and every Tuesday. All welcome. Champlain Valley Hall Commons.

4:15 pm — Frances Fitzgerald author of "Fire in the Lake" and writer for *The New York Yorker* and *The New York Times* presents "America's Prospects in the Middle East (Afghanistan and Iran). All welcome. Cardinal Lounge College Center.

8:00 pm — Frances Fitzgerald presents "Current Realities in Vietnam and Cambodia." All welcome. CL 200.

WEDNESDAY, MARCH 19

6:00 pm — The Home Economics Department Quantity Foods Class presents "Ocean Delight" in the Campus School Cafeteria. Ticket arrangements may be made by calling Mr. Bussel at 564-2205 or Miss Wanda Smith at 564-4055.

10:00 am - noon — "Inner Visions" by Heiss and Lang. Art exhibition open to public. College Center Cardinal Lounge.

Noon — Brown Bag Theatre presents "Bedtime Story," directed by Michael Noonan. Studio Theatre Myers Fine Arts.

Noon — Alcohol Awareness. "Counseling and Alcohol" presented by Terry Laurence. All Welcome. College Center Music Lounge.

3:00 pm — Quebec Politics and Society Today: A lecture on "Nationalism and Class Conflict," by Professor Henry Milner, co-author of "The Decolonization of Quebec," and author of "Politics in the New Quebec." Questions and discussion to follow. All welcome. College Center Cardinal Lounge.

7:30 pm — R.A. Project, Mohawk Indian Speakers. Open to all. Upstairs Clinton Dining Hall.

THURSDAY, MARCH 20

Noon — Alcohol Awareness. "Risk Factors and Preventative Measures" presented by Roberta Spencer. All welcome. College Center Music Lounge.

3:00 pm — Personnel/Affirmative Action Office, Ms. Corinne Smith of the Clinton County Retired Senior Volunteer Program will give a presentation and show a film on Retirement Volunteering. College Center Music Lounge.

3:30 pm — Dr. Ann Willey, Director of Cytogenetics at N.Y.S. Birth Defects Institute of Albany Medical School will discuss genetic counseling opportunities and qualification for the field. Beaumont 432.

4:00 - 8:00 pm — "Inner Visions" by Heiss and Lang. Art exhibition open to the public. College Center Cardinal Lounge.

7:00 pm — Office of Career Planning and Placement presents Career Night. Open to all students. College Center Ballrooms A and B.

FRIDAY, MARCH 21

10:00 am — "Inner Visions." Art exhibition. Open to the public. College Center Cardinal Lounge.

Noon — Alcohol Awareness. "Health and Alcohol" — Dr. Merritt Spear. All welcome. College Center Music Lounge.

7:30 & 8:30 pm — S.U.N.Y. North Country Planetarium presents "The Multitude."

7:00 & 9:30 pm — S.A. films presents "Flesh Gordon" and "Tit for Tat." Students with I.D. 50¢. Hawkins Hall Large Auditorium.

NOTES

Freedom Run Event! A five-mile run on the cross country course starting on outside field house track on Saturday, March 29 at noon. Pre-registration will be in the College Center, March 13 and 14 at a special table and one hour before race on location. Any questions contact Garth Pittman c/o 564-2961, 564-4181 and leave message.

The next **Montreal Bus** and **Montreal Centaur Theatre** tickets are on sale at the College Center Desk for March 29.

The **Advisee and Registration Period for Fall** begins Monday, March 24 and ends Thursday, April 3.

Continuing Art Exhibitions until March 31 — **The March Show**. Senior art students present their work in Myers Fine Arts Lobby.

until April 1 — **Inner Visions** of Heiss and Lang. College Center Cardinal Lounge.

until April 6 — **Miriam Shapiro — Works on Paper**. Kent Gallery.

until April 13 — **Grace Hartigan — Paintings since 1970**. Myers Fine Arts Gallery.

ALUMNI TO IDENTIFY TOP STUDENTS FOR ADMISSION TO PLATTSBURGH

In hopes of remaining in the forefront of state colleges recruiting talented high school students to campus, the College, in conjunction with the Plattsburgh Alumni Association, is gearing up to launch an extensive campaign identifying top high school juniors and seniors in New York State. By marshalling the forces of a select group of 75 dedicated alumni in key areas of the state, the campaign consists of a letter addressed to former Plattsburgh graduates by President Burke urging their cooperation in a concentrated recruitment effort.

Explaining that declining high school enrollments will mean a more competitive market for talented college students, President Burke is asking alumni to send the names and addresses of top prospective college students in their local communities to the College's Office of Admissions for future contact. The President suggests in the letter that alumni may know of possible Plattsburgh State freshman candidates personally, or through friends, neighbors, or publicity generated in local newspapers identifying top high school scholars, musicians, artists, or athletes.

"We at Plattsburgh believe that a network of alumni involved in the admissions process is essential if we are to maintain the excellent academic reputation that we have always enjoyed at this College," President Burke contends in his letter to alumni. "As an enthusiastic, knowledgeable alumnus making personal contact with a prospective student and his or her parents, you may accomplish more for us than could be gained by anyone else." The College hopes to implement the long-term alumni recruiting campaign this month. In the past, alumni have helped in recruiting efforts through personal and telephone contacts with students in their locale who have been accepted to Plattsburgh State but who have not yet made a commitment to attend the College. The latest recruitment campaign will be directed to many alumni who have attended one of the College's award-winning Alumni Leadership Conferences held two of the past three summers on campus.

SENATE URGES ELIMINATION OF 48-HOUR UPPER DIVISION REQUIREMENT; BURKE APPROVES

A Faculty Senate resolution urging suspension of the 48-hour upper division requirement was approved by President Burke earlier this week. The action, effective immediately, will automatically eliminate the requirement that seniors must have enrolled in 48 hours of upper division courses outside their major in order to graduate.

The Faculty Senate Standing Committee on Undergraduate Studies sponsored the resolution at the March 11 Senate meeting. The Senate's rationale for the decision was based on hardships experienced in the past by students who transferred to Plattsburgh and were prevented from taking an upper division course outside their major because of lower level (100 or 200 level course) prerequisites. "In the past some transfers have had to take extra course hours over the required 122-hour general degree requirement in order to meet the upper division requirements," Tom Corigliano, coordinator of academic advisement, reported. In addition, the Office of the Vice President for Academic Affairs plans to collect data from academic departments and establish a rational policy for upper division courses and begin monitoring student enrollments in both upper and lower level courses.

In other action, the Senate passed a resolution opposing Gov. Carey's proposed 1980-81 executive budget for State University. The resolution will be sent to the Governor and to the Speaker of the State Assembly and the Majority Leader of the State Senate.

TAC DESIGNATED AN AFFILIATE STATE DATA CENTER

The New York State Commerce Department has recently designated the Economic Development and Technical Assistance Center (TAC) at the College as an affiliate of the State Data Center. R. Thomas Williamson, director of TAC, the local federally funded economic development center, announced that the campus-based office will be one of approximately 10 extension New York-wide units of the State Data Center. The affiliate units will help the State Data Center Program improve access to Census Bureau information, and help to establish a mechanism to improve user access and reduce costs for technical services.

As a state-wide affiliate, TAC will now be able to provide the U.S. Bureau of Census' statistical programs including up-to-date information on population, housing, manufacturing, agriculture, distributive trades, and service industries. The Census Bureau has agreed to provide training and technical assistance to local TAC personnel that will maintain the affiliate center and also offer consultation on special census information problems. Williamson explained that the local TAC office will maintain a library of Census Bureau statistical publications and will develop computer programs for processing machine readable data files. Presently, TAC operates as a Summary Tape Processing Center for the U.S. Bureau of the Census.

ALCOHOL AWARENESS WEEK ACTIVITIES CONTINUE; PLANS FOR YEAR-ROUND PROGRAM UNDERWAY

The Office of Residence Life's month-long program on alcohol awareness concludes next week when campus officials meet on Friday (March 28) with members of the State Division of Alcohol's Division for Colleges in an effort to implement a year-round campus educational program on alcohol use and abuse. A College-wide 25-member committee comprised of faculty, staff, and students will meet with the Alfred University-based state-wide program to assess the College's values and ideas toward alcohol use and begin a genuine effort to introduce an educational program on campus.

Cecil Lundy, coordinator of residence hall programs, explained that this month's alcohol awareness program has been well-attended by both students, faculty and the general public. "The overall interest created by the entire month's activities has prompted Student Affairs officials to consider a year-round program in alcohol awareness," Lundy said. "We realize that discussing the use and misuse of alcohol by college students may not be looked upon in a favorable light. But the fact is that alcohol use has become a national problem and the month-long program is concerned with letting our students become more aware of the issues and answers concerning alcohol abuse."

STUDENT FINANCIAL AID TO PRIVATE INSTITUTIONS INCREASES WHILE PUBLICS RECEIVE SMALLER PORTION

Although state governments will probably hand out about \$25-million in additional aid to students in 1980-81 according to a report by the American Association of State Colleges and Universities (AASCU), the average award for students in public institutions will drop from \$479 to \$471. Meanwhile, the average award for students in private colleges and universities will rise from \$986 to \$1,034. Education officials say that the reason for the increase for students in private schools results from the rising costs of education. The decrease in aid for students in public colleges is a bit more difficult to explain, but it is probably the result of the enormous increase in federal student aid programs over the past few years. The AASCU report, indicated that the Middle Income Assistance Act, passed in 1979, expanded the federal commitment to student aid by some 70 per cent. State support grew only by about 7 per cent. At the same time, the federal government's biggest aid program, the Basic Educational Opportunity Grants (BEOG's) was increased substantially. The developments appear to have reduced considerably the need for state financial aid programs. The total amount of aid provided to students in 1979-80 by all 50 states is \$852.3 million.

ACCOUNTING CLUB PROVIDES INCOME TAX ASSISTANCE TO LOCAL SENIOR CITIZENS

A series of income tax assistance workshops sponsored by volunteer members of the College's Accounting Club provided assistance to some 100 senior citizens residing in the city's elderly housing units. The workshops, sponsored, for the past several years by junior and senior accounting majors with course work experience in federal income tax, was conducted at Plattsburgh's Beekman Towers and Robert S. Long Apartments. Approximately 18 Accounting Club members provided senior citizens with assistance in completing both the 1040A and long form income tax reports. Club members also conducted several income tax workshops for students in residence halls and the College Center.

FALL SEMESTER ADVISEMENT PERIOD BEGINS MARCH 24

The advisement period for the fall semester has been scheduled for March 24 - April 3. During that period students must meet with their advisors, plan their fall semester schedules and deposit their master registration card at the College Center desk between the hours of 9 a.m. and 4 p.m.

Registration results will be distributed April 24-25. Students residing on campus will receive the material in their residence hall mailboxes while off-campus students may pick up their registration results in the lobby of the College Center between the hours of 9 a.m. and 4 p.m.

weekly notes

Dr. Thomas Braga, associate professor of French, has recently had an article published in *The Journal of the American Portuguese Society*. The article attempts to explain the poetics of the "flower" revolution which occurred in Portugal in 1974... Dr. George Dicks, chairperson of the English Department, has been invited to co-chair a discussion group at the 1980 Eastern Association of Departments of English (ADE) Summer Seminar to be held at the University of Rochester in June... Dr. Frederick Kissner, associate professor of environmental science, and Dr. Paul Szydluk, professor of physics, have been invited to present a paper on campus-based research conducted on a passive solar water heating system at the Annual Meeting of the American Section of the International Solar Energy Society to be held in Phoenix, AZ., in June... Susan Scarupa, a senior food and nutrition major, has been assigned as a First Lieutenant in the Public Health Service. Susan is one of a limited number of active duty reserve officers assigned to the Service's Commissioned Officer Student Training and Extern Program (COSTEP). Susan will be called to active duty for training in particular health-related fields during academic year recesses... In a recent 14-page address to the New York State Senate Committee on Higher Education, SUNY Chancellor Dr. Clifton R. Wharton, Jr., singled out the campus-based Technical Assistance Center (TAC) for its effort in securing a Foreign Free Trade Zone for Clinton County.

This Week on Campus

THURSDAY, MARCH 20

Noon — Alcohol Awareness: "Risk Factors and Preventative Measures." Speaker: Roberta Spencer. All are welcome. College Center Music Lounge.

3:00 pm — Personnel/Affirmative Action Office, Ms. Corinne Smith of the Clinton County Retired Senior Volunteer Program will give a presentation and show a film on Retirement Volunteering. College Center, Music Lounge. All are welcome.

4:00 pm — Dr. Dirk Reinen, professor of chemistry at Philip University of Marburg, West Germany will give a lecture on his research on structural changes on certain chemical crystals. Hudson 106.

4:00 - 8:00 pm — "Inner Visions" by Heiss and Lang. Art Exhibition open to public. College Center, Cardinal Lounge.

4:15 pm — Reception for all students interested in Women's Studies. F.O.B. II, Room 215.

7:15 - 9:00 pm — Office of Career Planning and Placement present, Career Night. Representatives from many occupations will be available to talk to you. Open to all students. College Center Ballroom.

8 pm — Dr. Ann Willey, Director of Cytogenetics at N.Y. State Birth Defects Institute of Albany Medical School will discuss genetic engineering and birth defects as well as counseling opportunities and qualifications for the field. Hudson 106.

8:00 pm — Studio Theatre: "The Shadow Box" by Michael Cristofer. Open to all. Myers Studio Theatre.

FRIDAY, MARCH 21

10:00 am - noon — "Inner Visions" by Heiss and Lang. Art Exhibition open to public. College Center Cardinal Lounge.

Noon — Alcohol Awareness: "Health and Alcohol." Speaker: Dr. Merritt Spear. College Center, Music Lounge.

4:00 pm — R.A. program presents, Senior Citizen Kitchen Band. Open to all. Stage XIV.

7:00 & 9:30 pm — S.A. Films presents, "Flesh Gordon," and "Tit for Tat." Students with I.D. 50¢. Hawkins Hall Large Auditorium.

7:30 & 8:30 pm — S.U.N.Y. North Country Planetarium presents "The Multitude."

7:30 pm — InterVarsity Christian Fellowship meeting. Open to all. Clinton Dining Hall.

8:00 pm — Studio Theatre presents "The Shadow Box" by Michael Cristofer. Open to all. Myers Studio Theatre.

SATURDAY, MARCH 22

Noon - 4:00 pm — R.A. Association is sponsoring a Blood Drive, PLEASE PARTICIPATE! Clinton Dining Hall Lounge.

5:00 pm — Business Advisory Council meeting for students in free enterprise. College Center Cardinal Lounge.

8:00 pm — Studio Theatre presents "The Shadow Box" by Michael Cristofer. Open to all. Myers Studio Theatre.

SUNDAY, MARCH 23

9:00 am - 6:00 pm — Annual Cardinal Indoor Soccer Tournament. Field House. Open to all.

5:30 pm — R.A. Training. College Center Ballroom B.

7:30 pm — Concert: College Community Orchestra; Angelo La Mariana, Director. Open to all. Newman Center.

8:00 pm — Studio Theatre presents "The Shadow Box" by Michael Cristofer. Open to all. Myers Studio Theatre.

MONDAY, MARCH 24

2:30 pm — Sociology/Human Service — Criminal Justice Field Placement for fall 1980 will be discussed. Hawkins Hall Room 231.

3:00 pm — Discussion of Canada presented by Club Canada. College Center Conference Room.

8:00 am — Advisement and Registration for Fall Semester Begins.

8:00 pm — Campus Poets Series presents Professors Arthur Newgarden and Philip Reines: Readings from Original Works. Open to all. College Center Conference Room.

TUESDAY, MARCH 25

1:00 pm — Political Science Colloquium on Human Rights: U.S. Foreign Policy. Open to all. Cardinal Lounge College Center.

8:00 pm — Speakers Forum presents, Jerry Rubin, "The 60's, 70's and Beyond." Students with I.D. 50¢, public \$1.00. College Center Ballroom.

WEDNESDAY, MARCH 26

Noon — Don't miss BROWN BAG THEATRE. Myers Studio Theatre.

Noon — Plattsburgh State Collegiate Chapter of the American Marketing Association will hold its next meeting Elections of offices for the 1980-81 school year will be held. F.O.B. II room 170 (conference room).

3:00 pm — Jazz Clinic: Area high school bands will be participating. Open to all. College Center Ballroom.

7:00 pm — Jazz Clinic: Bill Watrous will be performing with the P.S.U.C. Jazz Ensemble. Open to all. College Center Ballroom.

8:00 pm — Studio Theatre presents "The Shadow Box" by Michael Cristofer. Open to all. Myers Studio Theatre.

THURSDAY, MARCH 27

4:00 pm — Philosophy Colloquium: Paper being given by Roderick Chisolm. Open to all. Hudson 106.

5:30 pm — R.A. Training Session. College Center Music Room.

6:00 pm — Quantities Food Dinner: "A Night in New Orleans." Dinner and music with Herm Matlock and his band. See College Desk in College Center for reservations.

8:00 pm — Festival Quebec. "Kamouraska," a film on 19th century Quebec. Free to all. Hawkins Hall Large Auditorium.

8:00 pm — Visual Artist Series presents Miriam Shapio. The artist will discuss her recent work and her attitudes on the place of women in art, historically and today. College Center Ballroom.

8:00 pm — Studio Theatre presents "The Shadow Box" by Michael Cristofer. Open to all. Myers Studio Theatre.

FRIDAY, MARCH 28

7:00 pm — InterVarsity Christian Fellowship is sponsoring a Coffee House. All are welcome. College Center Music Lounge.

7:30 & 8:30 pm — S.U.N.Y. North Country Planetarium presents, EPHEMERIS. Ephemeris is an astronomical almanac. These showings are visual astronomical almanacs for the month. They will show the location of the principle constellations, planets and other objects of interest for observations with the unaided eye, binoculars, or small telescope. These shows are given live and are intended for persons of all ages who enjoy watching the night sky. All are welcome. Hawkins Hall Large Auditorium.

8:00 pm — Festival Quebec. A French play about explorer Jacques Cartier performed by La Societe des Deux Mondes (Vermont). Hawkins Hall Large Auditorium. Free to all.

NOTES

The next **Montreal Bus** and **Montreal Centaur Theatre** tickets are on sale at the College Center Desk for March 29.

Come run or watch the **five-mile Freedom Run** on Saturday, March 29 at noon. Pre-registration on track behind field house at 11:00 am. Any questions please contact, Garth Pittman c/o 564-2961, 564-4181 and leave message.

COMMITTEE ORGANIZED TO RECOGNIZE OUTSTANDING STUDENT ACHIEVEMENTS

A College-wide committee has been established for the purpose of encouraging and recognizing outstanding student achievements in the areas of academics, personal growth, and College and community service. According to Dr. Jerome Supple, vice president for academic affairs, under immediate consideration by the newly named Committee on Student Achievements and Contributions is the organization of programs geared toward acknowledging student award recipients and campus honors associations.

"We believe that the establishment of a committee such as this will help to provide more campus recognition for our outstanding students," Vice President Supple explained. "One way to improve the overall self-image of our student body is by identifying students who are top achievers on this campus." Supple added that the Committee's general purpose will be in generating more student participation in competing for national and international awards of merit, recognizing existing campus honors programs, and revitalizing non-active academic department and organizational honors programs.

Chairing the Committee will be Dr. Charles Warren, Dean of Arts and Science. Serving on the committee are: Dr. Edgar Barton, professor of art; Joan Braun, Student Association senator; Dr. Robert Ellsworth, professor of chemistry; Donald Garrant, assistant to the president for college relations; Dr. Martin Hasting, professor of history; Cheryl Hogle, personnel coordinator for residence halls; Dr. Roy Malpass, associate professor of behavioral science; Anna Nardelli, associate professor of education; Rachel Pollow, assistant professor of nursing; Dr. Eldridge Roark, vice president for student affairs; and Gregg Sweet, Student Association president for academics.

THE CENSUS IS COMING: CAMPUS COUNT SCHEDULED FOR APRIL 16-18

Members of the Regional U.S. Census Bureau's Special Place Operations Unit will be on campus April 16-18 to gather information for the 1980 Census. The three-day canvass by local Census officers will begin April 16 with door-to-door delivery of the questionnaires in all campus residence halls. On-campus students will be required to submit answered questionnaires the next day at designated areas staffed by Census Bureau personnel.

Herb Fowler, local director of the Special Place Operations unit, explained that, in addition to the regular questionnaire, approximately one student in six will receive a long form which asks for a variety of personal characteristics. "The additional information included on the long form will be used to provide more detailed analysis of characteristics of the population," Fowler said. "Students should be aware that by law all census information is confidential. Information from the 1980 census will be used only to provide statistical summaries, and students' particular answers cannot be identified."

Students are reminded that either census questionnaire will only require between five to 15 minutes time to complete. As required by the Constitution, the census population count is used to assure equal representation in the U.S. House of Representatives, is used by Congress and government agencies in both planning and management of federal and local programs, and in the distribution of more than \$50 billion a year in federal aid to local communities.

DR. ROBERT HOFER INVITED TO WEST GERMAN MATHEMATICS RESEARCH INSTITUTE

Dr. Robert Hofer, associate professor of mathematics, has been invited to present a workshop paper on the combined applications of algebra and topology (a branch of mathematics concerned with geometric configurations) at the West German Mathematics Research Institute in Oberwolfach. Hofer will be one of a handful of invited U.S. mathematicians who have conducted research in this particular area of mathematics that will be attending the Institute, April 13-19. The one-week workshop, entitled "Near-Rings and Near-Fields," will encompass nearly 10 years of research conducted by Hofer on the subject. His findings have been published in three professional publications and have earned him a SUNY Research Foundation Award. The world-renown Institute, located in the Black Forest region of West Germany, attracts mathematicians from throughout the world to workshops discussing new applications and research in the field. A member of the Plattsburgh State faculty since 1970, Hofer instructs courses in mathematics and computer science.

DR. PETER GORE ASKED TO BE ADVISOR TO AGRICULTURAL PROJECT IN ECUADOR

Dr. Peter Gore, associate professor of environmental science and a former Fulbright recipient for the National Institute of Agricultural Research in Ecuador, has been requested to work in that South American country as a social science advisor to a World Hunger Bean and Cowpea Project. Gore was selected to work on the Ecuadorian project by the United States Agency for International Development (USIAD), a unit of the State Department. He will leave near the end of this month to attend the International Bean Conference in Guatemala City, Guatemala. At the conclusion of the conference, Gore will accompany several U.S. plant breeders and pathologists to Ecuador where the Research Plan will be elaborated with officials of that country. He will remain in Ecuador through the College's Easter recess before returning to campus. Gore has previously worked as a Peace Corp volunteer in Ecuador from 1964-66. Since 1967, he has worked in establishing a Field Study Program for rural farmers in Ecuador co-directed by his wife, Dr. Jane Gore, a faculty member in the College's Home Economics Department. Over the years, Plattsburgh State students have traveled with the Gores to Ecuador to assist in the Field Study Program.

THE FUTURE OF NUCLEAR POWER SUBJECT OF APRIL 1 ENERGY DEBATE

How safe is the large scale use of nuclear power? Is nuclear power the way to solve the world energy problem? The pros and cons of these important questions will be discussed next Tuesday evening (April 1) at 8:00 in the College Center Ballroom as the Student Association Speakers' Forum presents Dr. Morris Levitt, professor of physics at Columbia University and an outspoken advocate of nuclear power, and Stuart Diamond, award-winning energy and environmental journalist for *Newsday* and *Omni* science magazine. The popular debate program, which is presently touring colleges and universities throughout the country, will be discussed in an in-depth and dynamic presentation by both speakers. Levitt believes that the way to solve the world energy shortage is to use nuclear energy and fusion power by the 1980's. Diamond, who authored several on-the-scene articles at last spring's nuclear accident on Three Mile Island, will center his debate on eyewitness accounts of the harrowing event and what it means for the future of the nuclear industry. Tickets for Tuesday evening's program are .50¢ for students and \$1.00 for the general public.

MAYOR PROCLAIMS 'PLATTSBURGH STATE STUDENTS IN FREE ENTERPRISE WEEK,' APRIL 1-5

For the second consecutive year, Plattsburgh Mayor John Ianelli has proclaimed the first week in April as "Plattsburgh State Students in Free Enterprise Week" in recognition of 10 marketing majors who have developed a local campaign to promote the positive aspects of the U.S. free enterprise system. The students, under the advisement of Ron Hobson, instructor of business/economics, have planned the second semester campaign in order to inform local people of all ages and social statuses about the advantages of the U.S. economic system. The campaign is supported by a grant from Price Chopper Supermarkets, Schenectady, and is part of a nationwide competition sponsored by the National Leadership Institute of Austin, TX. In the College's first year of competition last spring, five marketing students were declared the East Coast Regional Champions and participated in the national competition last summer in Houston, TX. This year students will defend their regional title on April 25 in New York City.

The group is presently touring local high schools and civic groups with campus-produced videotape presentations and literature promoting free enterprise. On Saturday (March 29) the group will sponsor a five-mile Freedom Run in conjunction with Sigma Tau Sigma Fraternity. Week-long free enterprise activities include information booths and displays in Pyramid Mall, and a Saturday (April 5) city-wide Easter Egg Hunt for children between the ages of three and ten in Trinity Park.

CENTER FOR STUDY OF CANADA PRESENTS 'FESTIVAL QUEBEC'

A three-day "Festival Quebec" program featuring movies, film presentations, and traditional folk songs and dances of Quebec, is being presented free to the public Thursday through Saturday (March 27-29) by the College's Center for the Study of Canada. The program will open Thursday at 8:00 p.m. in Hawkins Hall with a cinema presentation of 19th Century Quebec entitled "Kamouraska." On Friday, a French comedy on the life of 16th Century explorer Jacques Cartier will be performed by *La Laciète des Deux Mondes* of Winooski, Vermont.

On Saturday at 8:00 p.m. in Hawkins Hall *Les Tournesols* (The Sunflowers), a group of 35 folk dancers, singers, and musicians, will perform a suite of traditional dances from Quebec. Founded in 1968, the company has performed all over the world and has won the championship for the best folk group at the Festival des Cantons in 1978. Free ticket reservations can be made by calling the Center for the Study of Canada at 564-2086. "Festival Quebec" is being sponsored by the Quebec National Government and the Canadian Counsel in New York City.

CORRECTION

In last week's WEEKLY article pertaining to the elimination of the 48-hour upper division requirement, it was reported that the action will automatically eliminate the requirement that seniors must complete 48 hours of upper division courses outside their major in order to graduate. While the action means that students will no longer be required to complete a total of 48 hours of upper division courses in order to graduate, they will be required to complete the number of upper division courses mandated by their academic major.

This Week on Campus

THURSDAY, MARCH 27

5:30 pm — R.A. Training Session. College Center Music Room.

6:00 pm — Quantities food lab presents "A Night in New Orleans." Dinner and music with Herm Matlock and his band. See College Center Desk for reservations.

8:00 pm — Studio Theatre presents "The Shadow Box" by Michael Cristofer. Open to all. Myers Studio Theatre.

8:00 pm — Canadian Studies presents "Kamouraska" filmed in Quebec (English subtitles). Open to all. Hawkins Hall Large Auditorium.

8:00 pm — Visual Artist Series presents Miriam Shapiro. The artist will discuss her recent work and her attitudes on the place of women in art, historically and today. College Center Ballroom.

FRIDAY, MARCH 28

9:00 am — Sigma Theta Tau, Gamma Delta Chapter will be sponsoring a program on "Health Care of the Elderly." Open to all. College Center Ballroom B.

2:30 pm — SUNY students who are now at McGill University (Montreal) and University Laval (Quebec City) will speak about their studies in Canada. Open to all. College Center Conference Room.

4:30 — Root Beer Float Happy Hour and a rollicking Film Festival. Open to all. College Center Cafeteria.

7:30 pm — Intersarsity Christian Fellowship will be sponsoring a Coffee House. Open to all. College Center Blue Lounge.

7:30 — 8:30 pm — S.U.N.Y. North Country Planetarium presents, EPHEMERIS, an astronomical almanac. Open to all. Hudson Hall Planetarium.

8:00 pm — Canadian Studies presents La Societe Des Deux Mondes who will be performing, "Un Jacques Cartier Errant," a French comedy. Reception and discussion with actors will be held afterwards, in the College Conference Room 103. Open to all. The performance will be held in Hawkins Hall Large Auditorium.

8:00 pm — Studio Theatre presents "The Shadow Box" by Michael Cristofer. Open to all. Myers Studio Theatre.

SATURDAY, MARCH 29

9:00 am — Montreal Bus leaves from P.E. building. Departs from Montreal at 6:00 pm. Tickets are \$5.25, on sale at the College Center Desk.

Noon — Come run or watch the five-mile Freedom Run. Pre-registration on track behind field house at 11:00 am. Any questions please contact, Garth Pittman c/o 564-2961, 564-4181 and leave message.

2:00 pm — Centaur Theatre, Montreal, presents "Jitters" a wildly funny play about the triumphs and traumas of opening night. Tickets are on sale at the College Center Desk for \$2.50. Montreal Bus transportation available.

8:00 pm — Studio Theatre presents "The Shadow Box" by Michael Cristofer. Open to all. Myers Studio Theatre.

8:00 pm — Canadian Studies presents, *Les Tournesols* Folk Group, a company of 35 dancers, singers and musicians with an international reputation. Open to all (free tickets may be obtained by contacting the Center for the Study of Canada, 133 Court St.). Performance at Hawkins Hall Large Auditorium.

SUNDAY, MARCH 30

5:30 pm — R.A. Training Session. College Center Ballroom B.

7:00 pm — S.A. films presents "Gone With the Wind" and "Chilly Willy." Students with I.D. 50¢. Hawkins Hall Large Auditorium.

7:00 pm — R.A. Program — Don Dashnaw, Town Clerk for Schuyler Falls, will participate in a discussion on "Abortion — Legal, Moral and Social Aspects." College Center Cardinal Lounge.

MONDAY, MARCH 31

10:00 am — "Inner Visions" by Heiss and Lang. Art exhibition open to the public. College Center Cardinal Lounge.

8:00 pm — Campus Poets Series presents Student Poets, reading from their own works. Open to all. College Center Conference Room.

TUESDAY, APRIL 1

6:00 pm — Quantity Foods Dinner. "New England Abundance" in Campus School Cafeteria. Tickets may be purchased at the College Center Desk or reserved by calling Jean Harrison at 563-1611 or Mr. George Bussell at 564-2205.

4:00 pm — Tuesday Reflections

7:30 pm — Kappa Delta Pi will be having an organizational meeting and presentation. Open to Education majors. College Center Music Lounge.

8:00 pm — Speakers' Forum presents "The Energy Debate" with Stuart Diamond and Dr. Morris Levitt. .50¢ with I.D., public \$1.00. Tickets available at the College Center Desk and at the door. College Center Ballroom.

WEDNESDAY, APRIL 2

Noon — There will be no "Brown Bag Theatre" today — continued next week.

8:30 pm — Bands in the Pub presents a live band. Students with I.D. .50¢. College Center Ballroom.

THURSDAY, APRIL 3

9:30 am — Special Children's Arts Festival. Talent and art displays until 2:30 pm. College Center Ballroom.

10:00 pm — Classes End. Spring Recess begins.

FRIDAY, APRIL 4

Noon — Residence halls close. (Halls re-open at noon on Sunday, April 13).

NOTES

Intersarsity Christian Fellowship will have a retreat at Twin Valleys on April 18 to 20. Guest speaker is a Missionary from the Philippines. Turn meal card numbers in as soon as possible, before the Easter break.

CONTINUING ART EXHIBITIONS

Until March 31 — the March Show — Senior Art Students present their work in Myers Fine Arts Lobby.

Until April 1 — "Inner Visions" of Heiss and Lang. College Center Cardinal Lounge.

Until April 6 — Miriam Shapiro — Works on Paper. Kent Gallery.

Until April 13 — Grace Hartigan — Paintings Since 1970. Myers Fine Arts Gallery.

COLLEGE RECEIVES \$218,700 ENERGY GRANT

The United States Department of Energy has awarded the College a \$109,350 grant for engineering and construction costs required to implement two energy conservation measures in Beaumont Hall (Science Building). Conditions of the grant require that the New York State Energy Office provide matching funds for the project — making the final grant total \$218,700.

The award was presented to the College through a grant under the Energy Conservation Measures for Schools and Hospitals and Buildings Owned by Units of Local Governments and Public Care Institutions pursuant to Title III of the National Energy Conservation Project Act (NECPA). According to Derek Allan, facilities director, whose office coordinated the grant application, the award was the outcome of an energy audit involving students enrolled in Dr. Stockton Barnett's Energy Resources and Conservation course and temporary service students employed by Buildings and Grounds and Allan's office. Administrative staff involved in the project included Malcolm Collin, director of the College's Physical Plant, and Fred Ward of the Business Affairs Office. The College was among one of 18 SUNY campuses to apply under the program. Only 12 campuses were successful in receiving funding with the College obtaining 20 per cent of the overall energy grant money awarded to State University.

Allan explained that the award will be used to design energy conservation measures which will reduce the amount of fuel oil consumption in Beaumont Hall during the summer months. "One measure we plan to engineer will allow the building's air conditioning system to be less dependent on the use of fuel oil," Allan said. "Another measure will include a heat recovery system utilizing exhaust gases to pre-heat incoming air for distribution within the building."

Under the grant requirements, the College has three years to complete the project. Allan explained that engineering plans will begin once the matching grant money is received from the 1980-81 State fiscal budget.

COLLEGE COUNCIL APPOINTS LOUIS WOLFE AS ACTING CHAIRPERSON

Plattsburgh attorney Louis Wolfe, vice chairman of the College Council, has been officially selected as that local governing body's acting chairperson replacing Judith L. Duken. Wolfe's selection came at the Council's March 26 regular monthly meeting. He will serve in that position until Gov. Carey's appointment of a new chairperson to the Council is made in the near future.

In other Council action, Council member Wayne H. Byrne was appointed as a representative to the all-College two-year self-study committee responsible for evaluating the overall academic programs on campus for ten-year re-accreditation by Middle States Association of Colleges and Secondary Schools. Bernard Amell, Council member, and Don Garrant, assistant to the president for college relations, were appointed to a special committee to consider future Plattsburgh State Distinguished Service Award recipients.

The Council also passed a resolution urging the Governor and State Legislature to restore funding for State University and approved another resolution that the College will comply in accordance with the Buckley amendment, with appropriate requests for directory information pertaining to students. However, the Council voted that the College will refuse to respond to requests for such information from private or commercial interests. The College's policy pertaining to the Buckley Amendment is set forth in greater detail in the upcoming 1980-82 edition of the College Catalog.

CHANCELLOR WHARTON, SUNY COUNCIL OF PRESIDENTS TO MEET ON CAMPUS, APRIL 15-16

State University Chancellor Clifton R. Wharton, Jr., members of his Executive Cabinet, and representatives of the SUNY Council of Presidents will convene on the Plattsburgh State campus, April 15-16, for their regular monthly meeting. The Council, comprised of 16 SUNY presidents representing various campuses within State University, meets regularly in closed session as a group and serves as an advisory body to the Chancellor and his executive staff. President Burke serves on the Council as one of the representatives of State University Arts and Science Colleges.

NEW FACULTY SENATE ORGANIZES; DR. HEMING REELECTED CHAIRPERSON

Dr. Hilton P. Heming, professor of education, was reelected chairperson of the Faculty Senate at the Senate's March 25 organizational meeting. Also reelected to the vice chairperson post was Dr. William Graziadei, professor of biology. Harry Bowen, assistant to the director for instructional resources and chief engineer, was elected 1980-81 Faculty Senate Secretary. Elected members of the Senate Executive Committee for the coming year are Drs. Richard Beach and Patricia Higgins. University senator Dr. Warren Slocum is also a member of the Executive Committee. Elected members of the Faculty Affairs Committee were Dr. Thomas Morrissey and Dr. Lonnie Fairchild. Dr. Charles Mitchell was reelected chairperson of the Faculty Resources Planning Committee. The Executive Committee will meet to complete organization of the Senate by making appointments to the various standing committees.

In other action at the March 25 meeting, the 1979-80 Faculty Senate passed approval of the following minors: English literature, geography, women's studies, and writing. The recommendations have been sent to the Office of the Vice President for Academic Affairs for final approval.

\$7,000 GRANT FROM CANADIAN GOVERNMENT TO ENHANCE COLLEGE'S LIBRARY COLLECTION

The College's Center for the Study of Canada has recently been awarded a \$7,000 library grant from the Canadian Government which will greatly enhance Feinberg Library's existing collection of Canadian literature and reference materials. The grant will be used to purchase microfilms and indexes from *Le Devoir*, the country's leading French-Canadian newspaper published in Montreal. In addition, the funds will be used to purchase additional Canadian books, periodicals and library materials.

"The grant will definitely contribute to making our Canadian Studies library section one of the most complete within United States' colleges," explained Dr. Earl Fry, director of Canadian Studies/International Education at the College. Fry praised the efforts of Dr. Edward Hamblet, Dr. Martin Lubin, and Jeanne Kissner, members of the Canadian Studies faculty, and the College's special collections librarian, Bruce Stark, who were responsible for acquiring the *Le Devoir* materials. The entire library collection is due to arrive on campus within the next few weeks.

SED PREDICTS SHARP DECLINES IN HIGH SCHOOL GRADUATES THROUGH THE 1980'S

The latest projections of New York State high school graduates made by the State Education Department indicate that over the 10-year period between 1978-1988 a nearly 25 per cent decrease (approximately 60,000 students) will occur in the number of seniors graduating from public and non-public high schools. Expectations are that nearly 233,000 seniors will graduate from high schools in the state this spring, a decrease of 4.2 per cent from just two years ago. According to SED's projections, by the mid-1980's some 191,100 students will be graduating from New York high schools — a decrease of -18% as compared to projections for 1980. In reviewing the report, Diana Green, director of institutional research and analytical studies, explained that the latest projections by SED for 1984-85 are 5.3 per cent below earlier projections made in 1978 for the same period. "One of the reasons for lowering the estimates between the projected and actual number of high school graduates in 1979 was due in part to the increased migration of families out of New York State," Green said.

PEER RECRUITERS TO VISIT HIGH SCHOOL AND COMMUNITY COLLEGE CAMPUSES DURING RECESS

The College's Admissions Office has scheduled some 15 student volunteer recruiters to visit their local high schools and community colleges during the upcoming 10-day spring recess. As part of the College's "Student Peer Recruitment Program," students visiting educational institutions in their hometowns will be talking to prospective Plattsburgh State students about student life on campus, student organizations, and their own reasons for attending Plattsburgh.

Now in its fourth year, admissions officials believe that the opportunity for prospective four-year college students to talk with currently enrolled undergraduates has value. Sue Miller, an admissions office undergraduate intern in charge of the peer recruitment program, said that volunteers already conducted visits to their area high school and community colleges during the Thanksgiving recess. "We have students representing every rank and various academic disciplines on campus who are involved in the program," Miller said. "All have been active participants in the peer recruitment workshops we've conducted during the academic year." Student visits to hometown campuses are scheduled beforehand with high school guidance and community college transfer counselors. Miller explained that plans are now underway to schedule student peer recruiters for follow-up visits to area campuses once the College closes for summer vacation next month.

STATE UNIVERSITY'S NEW HOME SUBJECT OF ARCHITECTURAL EXHIBITION

An exhibit on tour with the Gallery Association of New York State describing the latest U.S. architectural phenomenon of recycling old buildings will be on display in the College Center Cardinal Lounge during special viewing dates this month. Entitled "Buildings Reborn: New Uses, Old Places," the exhibit describes how contemporary planners have begun adapting old buildings to different uses. Included in the exhibit's 53 examples of restoration projects throughout the country, is the newly restored Delaware and Hudson Railroad Station in Albany, now the home of the central administration of the State University. The exhibit will initially open on campus April 7 and continue until April 11. On Sunday, April 13, the exhibit will begin a second showing with a reception in the Cardinal Lounge from 2 p.m. until 5 p.m. Other dates and showing times will be listed in upcoming issues of WEEKLY.

THURSDAY, APRIL 3

9:30 a.m. — Special Children's Arts Festival. Talent and art displays until 2:30 p.m. College Center Ballroom.

10:00 p.m. — Classes End. Spring Recess begins.

FRIDAY, APRIL 4

Noon — Residence halls close.

SUNDAY, APRIL 13

Noon — Residence halls reopen.

MONDAY, APRIL 14

Classes Begin

NOTES

CONTINUING ART EXHIBITIONS

Month of April — "**Buildings Reborn: New Uses, Old Places.**" College Cardinal Lounge.

Until April 13 — **Grace Hartigan — Paintings since 1970.** Myers Fine Arts Gallery.

Deadline for **applications for CUSTOMS CO-OP PROGRAM** is Tuesday, April 15. Applications can be picked up in Kehoe 313.

FINANCIAL AID FORMS for 1980-81 are available and should be filed by May 1, especially if Work-Study is desired for the fall.

Please be alerted that **RESIDENCE HALL ROOM APPLICATIONS** for the 1980-81 academic year are now available in the area offices of residence halls (Harrington, Wilson, Whiteface) and the Residence Life Office (College Center).

DR. WATERMEIER SELECTED AS COLLEGE'S FIRST GUGGENHEIM FELLOW

A Plattsburgh State professor has been selected as one of 276 American scholars, scientists, and artists to receive a 1980 John Simon Guggenheim Memorial Foundation Fellowship Award. Dr. Daniel Watermeier, professor of theatre, has been awarded a \$15,000 fellowship grant by the Guggenheim Foundation in order to research and collect data for a biography on 19th Century American Shakespearean actor Edwin Booth. Watermeier is the first member of the Plattsburgh State faculty ever to receive a Guggenheim Fellow in the Foundation's prestigious 56-year history.

Established in 1924 by United States Senator Simon Guggenheim and his wife as a memorial to one of their sons, the Fellowships are awarded each year to further the development of scholars and artists by assisting them to engage in research in any field of knowledge and artistic creation and to improve the quality of education and practice of the arts and professions.

Watermeier claims his upcoming comprehensive biography of Booth will be the first which represents the actor as a serious and dedicated artist who clearly influenced the artistic, intellectual, and social environment of his era. His on-going study of Booth and the history of 19th Century theatre and drama led to the publication of a book containing selected letters from the actor and William Winter, entitled, "Between Actor and Critic," (Princeton University Press).

Watermeier's Guggenheim Fellowship Grant will allow him to visit several U.S. libraries and museums housing major collections of Booth's memorabilia and related materials in New York City, Washington, D.C., and at Harvard University.

Watermeier's selection as the first Plattsburgh State faculty member ever to receive a Guggenheim Fellowship garnered lauding comments from various members of the College's faculty and administration. Dr. Charles Kline, chairperson of the theatre department, stated that Watermeier's selection "gives our department genuine pride to have Plattsburgh State's first faculty member receive such recognition by one of the nation's great foundations." President Burke called Watermeier's receipt of the prestigious Guggenheim Fellow as "eloquent testimony to his scholarly standing in the field of theatre." "In addition," Burke added, "the grant of this award by one of our own professors is still another indication of the high quality of faculty we have here at the College at Plattsburgh."

VICE PRESIDENT OF HARRIS CORPORATION SELECTED TO SERVE ON COLLEGE COUNCIL

Harry E. Mowry, vice president and general manager of Harris Corporation's Bindery Systems Division facility at Champlain, has been appointed by Governor Carey to fill the position of the Plattsburgh College Council left vacant by the recent resignation of Mrs. Judith L. Duken. Mowry will serve the Council through 1980 — a term representing the unexpired portion of Duken's appointment to the College's local governing board. Duken was required to relinquish the Council chair last month when the New York State Senate confirmed her appointment by the Governor to the State University Board of Trustees.

A native of Mansfield, Ohio, Mowry recently directed the Harris Corporation's two million dollar expansion program in Champlain. College President Joseph Burke, in commenting on Mowry's appointment, described the Harris Vice President as a successful corporate executive who will add a new dimension to the College Council. "It is going to be a real pleasure for me, and an honor for the College, to have such an outstanding business and community leader like Harry Mowry on our College Council," Burke said.

DR. HENRIKSEN INVITED TO RETURN TO STANFORD AS HOOVER FELLOW

Dr. Thomas Henriksen, professor of history, who for the past academic year has studied as a National Peace Fellow at Stanford University's Hoover Institution on War, Revolution and Peace, has been asked to return next year to continue his research on the revolutionary history of Africa. Henriksen's invitation to return to the Institution marks the first time in the 10-year history of the program in which a research scholar has been asked to continue for another 12-month term.

Henriksen was one of six National Fellows chosen to attend the Hoover Institution last summer. This spring he completed his project, a 460-page manuscript concerning revolution and counter-revolution in the southeast African country of Mozambique. The Institution has granted Henriksen another Peace Fellowship on his newest project, entitled "Resistance and Revolution in Sub-Saharan Africa." While at Stanford, Henriksen completed the publication of his third book with Dr. Warren Weinstein which he co-authored and entitled "Soviet and Chinese Aid to African Countries." Founded in 1971, the National Fellows Program at the Hoover

Institution on War, Peace and Revolution was established to expand in new directions the Institution's studies on domestic and foreign affairs.

COLLEGE'S ALUMNI ASSOCIATION RECEIVES SUNY CONFEDERATION AWARDS

The College's Alumni Association has been awarded two State University Alumni Confederation awards under the category of "Development and Implementation of New and/or Innovative Programs." The awards, presented at the 13th Annual Conference of the State University Confederation of Alumni Associations, recognized the College's Cardinal Booster Club for its on-going fund raising programs for student athletes and the annual Homecoming Golden Anniversary Class Reunions. The conference, held last Saturday at the Rockefeller Plaza in Albany, was attended by State University presidents, alumni officers, and distinguished alumni including a contingent of 35 alumni and their spouses representing this College.

COLLEGE COMMISSIONED TO ADMINISTER COURSES TO AIR BASE PERSONNEL

The College and the U.S. Eighth Air Force of the Strategic Air Command have approved a \$249,000 three-year contract which commissions the College to administer 132 courses in leadership and communication arts for middle-management personnel on 16 air bases throughout the U.S. The contract, renewed for the 10th consecutive year, will be directed by Dr. Melvin W. Donaho, professor of communications. Donaho, who created the curriculum and who has directed the program since its inception, has generated more than \$1,000,000 in Air Force contracts for the College. He will select and evaluate instructors from colleges located near the various air bases involved in the program to conduct all course-work material.

Donaho, who has recently been named to *Who's Who in America*, explained that the newest contract will include Air Force installations as far west as Colorado Springs and Texas, and east to Maine. All courses will be directed locally by each air base's education officers. The College's newest contract with the Air Force was negotiated by Fred Ward, assistant to the vice president for finance and management.

SOLAR RESEARCH LOBBYIST TO VISIT CAMPUS AS PART OF 'TOWARD TOMORROW' FESTIVAL

Richard Munson, director of the Solar Lobby in Washington, D.C., heads a list of participants in the fields of energy, conservation, music, and the arts, who will be attending the Plattsburgh State Environmental Action Committee's Third Annual "Toward Tomorrow Festival," Friday and Saturday (April 18-19) at the College Center. Ecologists, bluegrass musicians, government activists, and members of the College faculty will participate in the two-day festival designed to foster an awareness of alternative methods of energy and environmental issues which affect the North Country area.

An exhibit of solar collectors and windmills will be on display as part of the weekend's Crafts, Arts and Science Festival scheduled from 10 a.m. until 5 p.m. Saturday in the College Center Courtyard. Munson, along with local environmental activists and College faculty members will be featured in Saturday's all-day lecture series. Munson will speak at 1 p.m. Saturday in the College Center Blue Room.

Environmental Action Committee officials explained that the two-day festival is the culmination of the student group's environmental awareness activities within the community. "We want to raise public awareness on how we can all work together in preserving our natural resources for a cleaner and more personal tomorrow," explained Brian Hatfield, student co-director of the festival. "The organizers of the festival invite the entire North Country area to share in a weekend of music and fun, coupled with our theme of the importance of conservation and preservation for our future survival."

The calendar in this issue of WEEKLY has complete details of the festival's Friday and Saturday activities.

COLLEGE ALUMNI HELP PERSONALIZE ADMISSIONS PROCESS

Nearly 2,500 letters are being mailed to prospective students who have been accepted for admission to Plattsburgh State but who have not yet made a commitment to attend the College. The project is being coordinated by the College's Alumni and Admissions Offices. Letters are signed by Plattsburgh State alumni volunteers and addressed to individual students who reside in their general vicinity. The letters congratulate students for being accepted to the College and offer them the opportunity to meet and talk with the alumni to obtain answers to questions on the College's academic programs and physical facilities.

This Week on Campus

THURSDAY, APRIL 17

1:00 - 5:00 & 7:00 - 9:00 pm — "Buildings Reborn" a photographic exhibition of architectural preservation and re-use. Open to the public. College Center Cardinal Lounge.

5:30 pm — R.A. Training. College Center Music Lounge.

8:00 pm — Preservation Film Program — three films on architectural preservation and re-use, presented by Heritage Restoration in conjunction with the photographic exhibition "Buildings Reborn: New Uses, Old Places." Open to all. College Center Ballroom.

FRIDAY, APRIL 18

2:30 pm — Towards Tomorrow Festival Opening. College Center Courtyard. Country Rock Band Concert.

4:00 pm — Philosophy Colloquium — The Problem of Evil by John Yarden. Open to all. CVH Commons.

6:00 pm — Towards Tomorrow Festival — "Outdoor Education" Dr. Coons. College Center Music Lounge.

7:30 pm — International Films presents "Last Year at Marienbad." Introduced by Pascale Retourne-Raab. Open to all. Hawkins Hall Large Auditorium. Reception following film at College Center Conference Room.

7:30 & 8:30 pm — SUNY North Country Planetarium presents EARTHREATH! Why is Klingon heavy cruiser KILONOS heading for the Earth's solar system? Why is the United Federation sending the overaged and ill-repaired COPERNICUS to intercept it? Join us for this science fiction production set in the late 23rd Century. Open to all. Hudson Hall Planetarium.

8:00 pm — Towards Tomorrow Festival — George and Vaughn Ward — Folk Singers from Albany. College Center Blue Lounge.

8:15 pm — NTA presents "Snow Angel," Myers' Studio Theatre.

SATURDAY, APRIL 19

9:00 am — Sigma Xi Symposium. Hudson Hall 106.

10:00 am — Towards Tomorrow Festival — Arts and Crafts, Alternate Energy Exhibits, Music, Friendship Court (between College Center and Myers).

11:00 am — Health Fair presented by Health Educators' Association. Memorial Hall Lobby and second floor classrooms.

11:00 am — Towards Tomorrow Festival — Flower Identification Walk with Dr. Phil Walker. Meet at Main Entrance to College Center.

Noon — Towards Tomorrow Festival — Palmer Hill Band — rock & roll. College Center Courtyard.

Noon — Towards Tomorrow Festival — "Nuclear Power: Basic Principles, Safety; Do we have an option?" Dr. John Lewis. College Center Music Lounge.

1:00 pm — Towards Tomorrow Festival — "Competition in the Energy Industry, and Blueprint for a Solar America." Dick

Munson, Coordinator Solar Lobby. College Center Blue Room.

1:30 pm — Towards Tomorrow Festival — Cross Country Running Workshop. Friendship Court.

2:00 pm — R.A. program presents "Almost Anything Goes" (athletic competition). Open to all. Campus School Gym.

2:00 pm — Towards Tomorrow Festival — "Nuke Power, Can We Grow Without It?" David Manwell. College Center Courtyard.

2:30 pm — Towards Tomorrow Festival — "Solar Homes in Northern New England" Larry Sherwood. Ask at Information Table, College Center Lobby, for location.

3:30 pm — Towards Tomorrow Festival — "Nuclear Weapons Workshop" John Cutro. College Center Music Lounge.

4:00 pm — Towards Tomorrow Festival — Mohawk Indian speakers. College Center Ballroom B.

5:00 pm — Towards Tomorrow Festival — Feast or Famine — original Folk Jazz, (bring your own picnic). College Center Courtyard.

7:30 pm — Towards Tomorrow Festival — "World Conditions" John Schuchardt. College Center Music Lounge.

8:30 pm — Towards Tomorrow Festival — Pocomoonshine Band — Benefit Concert. Admission 50¢. College Center Ballroom.

SATURDAY, APRIL 20
Residence Life Exhibition of Prototype Furniture. College Center Second Floor Lobby. Continues until May 10.

1:00 - 5:00 & 7:00 - 9:00 pm — "Buildings Reborn" a photographic exhibition of architectural preservation and re-use. Open to the public. College Center Cardinal Lounge.

4:00 pm — Protestant Service at Newman Center this Sunday and each Sunday at this time.

5:30 pm — R.A. Training on Alcohol. College Center Music Lounge and Conference Room.

7:00 pm — S.A. Films presents "Outlaw Josey Wales" and "Coogan's Bluff." S.A. 50¢. Hawkins Hall Large Auditorium.

MONDAY, APRIL 21

11:00 am — Political Science Colloquium on Human Rights. College Center Cardinal Lounge.

3:00 - 7:00 pm — Opening Reception — Student Art Exhibition — Bowers and Merrill: Jewelry, Sculpture, Painting, Photography. Garden Lounge and Second Floor Gallery, College Center.

THURSDAY, APRIL 24

1:00 - 5:00 & 7:00 - 9:00 pm — "Buildings Reborn" a photographic exhibition of architectural preservation and re-use. Open to the public. College Center Cardinal Lounge.

7:00 pm — R.A. Director benefit basketball game. Proceeds to go to Big Brothers Association. 25¢ admission. Campus School Gym.

7:00 pm — Mason Hall Dorm Council presents a Movie Night. 25¢ admission. Hawkins Hall Large Auditorium.

7:30 pm — NTA presents "The Ice Wolf." S.A. free public \$2.50, children \$1.00. Hartman Theatre.

8:00 pm — esteemed photographer and filmmaker Ralph Steiner will introduce and show several of his movies. The public is welcome. College Center Cardinal Lounge.

8:00 pm — Visual Artists Series presents Paul Aschenback — "Art in Public Places." Open to all. College Center Ballroom B.

8:00 pm — "Spectrum '80" — a presentation by Acrotheatre. Memorial Hall Gym.

OPEN HOUSE SET FOR SATURDAY; 800 VISITORS EXPECTED

An estimated 800 prospective students and their parents are expected to visit the College during Saturday's Campus/Community Open House. The all-day program will begin at 9 a.m. with welcoming addresses by College President Joseph C. Burke; Student Association President Ann Beyer; Mrs. Judith L. Duken, a member of the SUNY Board of Trustees; and Louis Wolfe, acting chairperson of the College Council.

The purpose of the annual spring program is to acquaint prospective students with the campus; the College's faculty, staff and students; academic opportunities and extracurricular life at Plattsburgh State; and with admissions and financial aid programs and procedures. More than 100 undergraduates have volunteered to act as Open House campus tour guides. This year's program will include a noon until 2 p.m. information session with faculty representatives, members of the Student Affairs staff, and student government leaders who will discuss curricula, various student services and extracurricular activities. The session will be held in the College Center Cardinal Lounge. Directors of the Open House commented that Saturday's activities will generally follow closely to previous years. In the past, more than 80 per cent of the College's incoming freshmen who attended an Open House program indicated that the event was a major influence in their decision to enroll at the College.

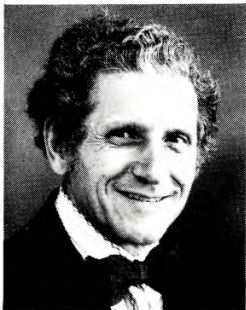

IAB PASSES \$96,000-PLUS INTERCOLLEGIATE ATHLETIC BUDGET FOR 1980-81

The College's Intercollegiate Athletic Board (IAB) has passed a record \$96,742 budget in support of next year's men's and women's intercollegiate athletic programs at the College. The IAB's budget will provide funding for seven women's and six men's intercollegiate programs. Dr. Eldridge Roark, vice president for student affairs and chairperson of the IAB, explained that \$82,000 of the 1980-81 budget (or 20% of the total Student Association operating budget for next year) will be allocated from the SA's mandatory student activity fee with the remaining \$14,000 to be generated by gate receipts from men's basketball and hockey contests. The new IAB budget includes money for the addition of an intercollegiate men's swimming program, however, it excludes continued funding in support of the men's golf team.

The individual athletic budgets passed by the IAB in order of the total allocated amounts are: men's hockey, \$22,312; men's basketball, \$11,894; men's cross-country/track \$9,832; men's soccer, \$5,935; women's basketball, \$5,584; women's swimming, \$4,023; women's soccer, \$3,591; men's swimming, \$3,484; women's cross-country/track, \$3,345; women's volleyball, \$3,167; women's field hockey, \$2,097; men's tennis, \$1,687; and women's tennis, \$1,436. Also, \$1,532 has been granted to the men's junior varsity basketball team.

In addition, the IAB appropriated \$11,000 to the general athletic expense account for coaching salaries, conference dues, and miscellaneous fees, \$2,290 for room and board for student-athletes during vacation time, and \$3,533 for athletic training supplies.

DR. LA MARIANA TO CONDUCT HIS FINAL ORCHESTRA CONCERT THIS SUNDAY

Dr. Angelo La Mariana, professor of music and founder (1955) and director of the College/Community Orchestra, will retire as conductor of the musical group after this Sunday's (April 27) 25th anniversary performance. Recognized as one of the area's oldest continuing arts organizations, the College/Community Orchestra will perform its traditional spring concert featuring selections from Richard Wagner's "Die Meistersinger" at 8 p.m. in Hawkins Hall on the stage where the orchestra made its debut 25 years ago. Preceding the orchestra's evening performance will be the group's popular afternoon Lollipop Concert for children at 4:00 in Hawkins Hall. Lollipop selections will feature Prokofiev's "Peter and the Wolf."

Originally conceived as a joint musical venture of the College and the community, the College/Community Orchestra raised funds for their performances each year until the College offered total sponsorship in 1969. In its 25-year history, the orchestra has conducted hundreds of community concerts under the directorship of La Mariana.

ASSOCIATE VP FOR ACADEMIC AFFAIRS CANDIDATES TO VISIT CAMPUS, MAY 2-9

The College's search committee for the position of associate vice president for academic affairs has selected four finalists who will visit the campus during the week of May 2-9. The interview schedule for each finalist will allow faculty, staff, and students to meet with each candidate during a 2:30 to 3:30 p.m. informal session in the 10th floor boardroom of the Kehoe Administration Building.

The four candidates and their scheduled interviews are: Dr. Richard Robbins, acting associate vice president for academic affairs, Plattsburgh State, (May 2); Dr. Sara C. Looney, assistant to the academic vice president, Fredonia State, (May 5); Dr. Robert E. Michael, Dean of the College, Nathaniel Hawthorne College, NH, (May 7); and Dr. James R. Hurtgen, director/professor-in-residence, State University Albany Semester Intern Program (on leave from Fredonia State), (May 9). Schedules of each candidate's interview dates and times and vita summaries will be distributed to all faculty through the campus mail. Complete files on each candidate are available in the Office of the Academic Vice President, Kehoe 313.

ALUMNI BOARD OF DIRECTORS MEETS SATURDAY

The annual spring meeting of the Plattsburgh Alumni Association Board of Directors will be held Saturday in the 10th floor board room of the Kehoe Administration Building. Scheduled business includes reports on the College's Annual Alumni Fund Drive, the alumni/admissions program, and progress on this fall's Homecoming Weekend. Alumni board members will also be briefed on the Governor's recommended budget for State University.

FIFTEENTH ANNUAL ACROTHEATRE BEGINS THREE-DAY PERFORMANCE THURSDAY

Thirty acts and a cast of more than 50 College and area gymnasts will be featured in the 15th annual spring performance of Acrotheatre at Memorial Hall Gymnasium in shows Thursday, Friday, and Saturday (April 24-26) at 8:30 p.m. The two-hour presentations will incorporate acrobatics, gymnastics, adagio and modern dance set to music and accented by special stage lighting and costume effects. Erwin "Bud" Beyer, associate professor of physical education and originator and director of the College's Acrotheatre program, has turned over the entire direction of this spring's show to his staff of student assistants. Featured presentations will include a double trampoline act and an "Olympic Ribbon Dance" silhouetted in black light. Tickets for any of the three performance shows can be purchased in advance at the main desk in the College Center, or at the door on the evening of the performance. Prices are 50 cents for college students, 75 cents for other students under 18 years of age, and \$2.00 for adults.

46 RA'S SELECTED FROM HUNDREDS OF APPLICANTS

The Office of Residence Life has announced that 46 new resident hall assistants (RA's) have been selected from among 275 students who submitted applications for positions in one of the College's 12 residence halls next fall. Cheryl Hogle, personnel coordinator for residence halls, explained that student interest in RA positions for next fall reached its highest level in years. "We received more than 75 additional applications this spring than last year," Hogle explained. "In addition, one-half of this year's staff of 92 resident assistants will be returning next fall." Hogle said the number of returning RA's indicates that a large majority of supervisory personnel located in the residence halls will possess valuable experience and training in helping to administer on-campus student programs.

Among this year's group of new resident assistants are 17 men and 29 women who possess an average grade-point index of 3.0 or better. As an incentive for resident assistants, the College Auxiliary Services (CAS) provides for partial or complete payment of meal plans. First year RA's are provided with 50 per cent payment of their meal plan, while second-year RA's receive 75 per cent payment and third-year RA's receive total payment of their meal plan by CAS. More than \$62,000 in CAS funds have been allocated for the 1980-81 RA meal plan.

DR. PHILIP REINES RE-ELECTED PRESIDENT OF PLATTSBURGH U.U.P.

Dr. Philip Reines, associate professor of communications, has been re-elected president of the Plattsburgh Chapter of the United University Professors for a third consecutive term. Other officers re-elected to the local Executive Board for the 1980-81 academic year are Vice President for Professionals Tom Corigliano (academic affairs office); Secretary Stanley Wojtowicz (financial aids office); Treasurer Dr. Raymond Doyle (foreign languages and literature); and Grievance Chairperson Dr. Douglas Skopp (history). Elected for the first time to the position of Vice President for Academics is Dr. Edward Schaffer (sociology). Academic delegates to the UUP Assembly will be Dr. Kenneth Loach (chemistry); Anne Mitchell (library); and Dr. Skopp. As Vice President for Professionals, Corigliano will also serve as NTP delegate to the Assembly. UUP is the official bargaining agent for the more than 15,000 faculty and staff employed by State University.

EDUCATION AT PLATTSBURGH: PROSPECTIVE GRADS TO TELL ABOUT THEIR EXPERIENCES

On Wednesday (April 30) the Plattsburgh Chapter of the American Association of University Professors (AAUP) will present the first in an on-going series of programs devoted to the intellectual life of the College's academic community. Wednesday's program will feature a representative group of students near graduation who will relate their academic experiences at the College and describe how they feel about Plattsburgh as an institution. Dr. William Hartnett, professor of mathematics and president of the local AAUP Chapter, explained that the session is designed to help the College's faculty and staff become more aware of what students believe are the College's strengths and weaknesses. "Hopefully, Wednesday's session will lead to more AAUP-sponsored events of this kind," Hartnett said. "This type of presentation is of our academic community and deserves the faculty and staff's attention." The program is scheduled for 7:30 p.m. in the College Center Orchard Room.

This Week on Campus

THURSDAY, APRIL 24

1:00 - 5:00 & 7:00 - 9:00 pm — "Buildings Reborn" a photographic exhibition of architectural preservation and reuse. Open to the public. College Center Cardinal Lounge.

7:00 pm — R.A. Director Benefit Basketball Game. Proceeds to go to Big Brothers Association. 25¢ admission. Campus School Gym.

7:00 pm — Mason Hall Dorm Council presents a Movie Night. 25¢ admission. Hawkins Hall Large Auditorium.

7:30 pm — N.T.A. presents "The Ice Wolf." S.A., free; public \$2.50, children \$1.00. Hartman Theatre.

8:00 pm — Esteemed photographer and filmmaker Ralph Steiner will introduce and show several of his movies. The public is welcome. College Center Cardinal Lounge.

April 24 and 25 — Distribution of Registration Confirmation Print-Outs for Off-Campus Students. College Center Lobby from 9:00 am to 4:00 pm.

New College I.D. Pictures will be taken for all students planning to return in September. I.D.'s will be taken in the College Center Music Lounge from 1:00 to 5:00 pm on Monday, April 28; Tuesday, April 29; Wednesday, April 30 and from Monday through Thursday, May 5 through 8.

State University of New York College of Arts and Science at Plattsburgh is an Equal Employment Opportunity Affirmative Action Employer.

SURVEY SHOWS '79 GRADS FARE WELL IN JOB MARKET

Final figures from a soon-to-be released report by the Career Planning and Placement Office indicate that approximately 92 per cent of the College's 1979 graduating class who participated in a job survey have found employment. The figure was compiled from a return of 63 per cent (688 members) of last year's senior class contacted in a five-month mail and telephone survey.

Carolyn Delcore, director of the College's career planning and placement office, explained that the 63 per cent response rate to the survey is the highest ever recorded in the report's 13-year history. "This year's report provides us with the most reliable information that we can obtain in making generalizations about the employment patterns of our most recent graduates," Delcore said. "This is the second time in which our annual job survey involved an attempt to contact the entire graduating class rather than just those former students who had been registered with our office."

Following are a few highlights of the report, which is expected to go to press in the near future:

- 92 per cent of those looking for work are currently employed — up two per cent in comparison with the previous year's figures;
- 82 per cent are employed in a professional field — up seven per cent from 1978 data; and
- 69 per cent are employed in professional positions directly related to their major field of study — up 10 per cent as compared to the Class of '78.

Based on the overall data gathered in the survey, Delcore contended that the College's 1979 graduates did well in the job market. "I'm especially pleased with the number of our graduates professionally employed," Delcore said.

DRS. HAMBLET, ZIELINSKI RECEIVE NEH SUMMER RESEARCH FELLOWSHIPS

Two Plattsburgh State faculty members have received 1980 National Endowment for the Humanities Awards under the category of "Summer Seminar Fellowships for College Teachers." Dr. Edwin Hamblet, associate professor of French, and Dr. Ann Zielinski, professor of art, have been selected from among undergraduate instructors at colleges throughout the country to conduct off-campus scholarly research this summer on specific course matter they use in their teaching.

Dr. Hamblet will use his fellowship to participate in a summer seminar on French surrealism to be held at Syracuse University. In collaboration with Dr. J.H. Matthews, a leading authority on French surrealism and editor of an international journal of modern foreign languages, Hamblet's research will treat the impact of French surrealism in Montreal during the 1940's and 50's and how its practice by French Canadian artists and poets has greatly influenced the cultural, political and social upheaval of contemporary Quebec. A member of the College's Canadian Studies faculty, Hamblet teaches courses in introductory and advanced French and Quebecois literature in English.

Dr. Zielinski will participate in an interdisciplinary seminar at Yale University with renown art historian Dr. Craig Wright. An art historian herself, Zielinski will undertake a research project concerned with the influence of the cathedral of Notre Dame on early gothic sculpture in Parisian abbeys and churches. Zielinski instructs courses in U.S. art history, women in art, prehistoric to medieval art, and the artistic style of baroque and rococo.

NEH Summer Research Fellowships are designed to provide college teachers with opportunities to work with distinguished scholars in their fields at institutions with libraries suitable for advanced study. Teachers selected to participate in the program receive a \$2,500 stipend to cover travel expenses, books, and living expenses for a period of two full months.

Zielinski

OPEN HOUSE PROGRAM RECEIVES HIGH MARKS

Nearly 1,000 prospective students and their parents participated in last Saturday's Open House activities to help make the annual event successful once again. Visitors who took advantage of the opportunity to summarize their impressions of the campus gave the College high marks for overall programming of the event. Typical among the comments received in writing on evaluation forms provided were these: "Plattsburgh State's people, services, and facilities made a tremendous impression... The five-hour drive to the College was well worth the effort... all of my questions were answered." "The enthusiasm displayed by the students and faculty at Open House will definitely influence my son's decision to attend Plattsburgh." "Campus tours and programs were well organized... (they) provided an overall view of academic and residence life." "Student tour guides were informative and candid."

WORK BEGINS ON RECONSTRUCTION OF PODIUM DECK

Work has begun on the first phase of the planned reconstruction of the College's podium level deck. Underway at present is redesign of the main (monumental) stairway leading to the podium's second level from the plaza between the College Center and Myers Fine Arts Building. Workers are reducing the width of the stairs leading to the first landing and installing a planted embankment in the center of the stairway. In addition, the west side stairway leading to the library side of the podium will be eliminated and another planted embankment installed. This will leave only the east side stairway as access to the main podium level from the library side. The contractor for the podium reconstruction work is Murnane Associates, Inc., of Plattsburgh.

DR. MEYER ELECTED PRESIDENT OF NEW YORK SPEECH ASSOCIATION

Dr. John Meyer, professor of communications, was elected the 1980-81 president of the New York Speech Association (NYSSA) at the organization's 38th annual convention in Albany, April 18-20. Comprised of more than 200 speech and communication professionals from colleges throughout the state, the Association was established to encourage speech education, to set goals and standards for the profession in New York, and to speak for the profession in matters of policy. NYSSA has been designated by the State Education Department to write examination questions for the State Regents and Achievement Tests. Meyer has been a long-standing member of the Association, serving as the editor of the group's quarterly publication, as northeast regional director and as vice president-elect and as this past year's vice president. Other faculty members from the College's communications department who are NYSSA members and either presented papers or chaired discussions at the Association's recent annual convention were: Dr. William Chandler, Dr. Melvin Donaho, Dr. Philip English, Albert Montanaro, Dr. Philip Reines, and Dr. Richard Stowe, director of instructional resources.

1,750 RETURNING STUDENTS REQUEST ON-CAMPUS HOUSING NEXT FALL

Nearly 62 per cent (1,750) of the students who are residing in one of the College's 12 residence halls this academic year have requested on-campus housing accommodations again next fall. Yesterday (April 30), the Office of Residence Life conducted its annual "Dorm Lottery" thereby announcing September room assignments for returning students. As in the past, the Office of Residence Life is again providing special living arrangements for students. In addition to residence hall no-smoking and mandatory quiet areas, the Residence Life staff, in cooperation with the Business and Economics Department, is planning next academic year to sponsor a Multinational Residence Living Area for international business majors and foreign students. According to Carol Allen, assistant director of residence life, the multinational living area will provide foreign students the opportunity to participate in a cultural exchange with American students who would have a vested interest in fostering such an experience. Students who have signed up for the new living area or who are interested in further information about the program are asked to attend a meeting of the group on Friday (May 2) at 10 a.m. in the College Center Conference Room.

COLLEGE FOUNDATION SCHOLARSHIP FUND HONORS DR. LA MARIANA

The Plattsburgh College Foundation has created a scholarship fund in recognition of Dr. Angelo La Mariana's 25 years as founder/conductor of the College Community Orchestra. A scholarship of at least \$500 will be awarded each year to a Plattsburgh State student, with preference given to a string instrument player. At the Orchestra's 25th Anniversary Concert last Sunday (April 27) President Burke announced the creation of the scholarship by presenting La Mariana with a plaque which read in part: "... in recognition of a master teacher, superb musician, devoted servant to the people of the North Country, and founder/conductor of the Plattsburgh College Community Orchestra which, for the past quarter-century, has charmed, enthralled and delighted thousands of music-lovers of all ages and has served as a showcase for the most accomplished artists ever to perform in northeastern New York...." Members and friends of the Orchestra are asked to donate to the scholarship fund.

ASIAN NIGHT PROGRAM PLANNED FOR THURSDAY

Three Chinese professors from the University of Peking will present an informal discussion on their teaching experiences in China on Thursday (May 1) at 7:30 p.m. in the Campus School Cafetorium. The discussion is part of the College's first-ever Asian Night Program. The three Chinese professors, presently serving two-year sabbatical appointments at New Paltz State University College, were invited to campus by Dr. George Pasti, professor of history. The Asian Night Program was organized as a means to better educate the college and community on Asian culture, land, and heritage. Evening activities include an Asian dinner prepared by the Home Economics Department Quantity Foods Class. Price of the dinner is \$6.00 per person with a discount to students who possess a College meal card. Coordinators for the program are members of the College's Nursing, History, and Home Economics Departments and the Faculty Wives Association.

This Week on Campus

THURSDAY, MAY 1

1 pm — Off-Campus Committee Concert. Open to all College Center Courtyard.

3:45 - 4:15 pm — Ann Hunt Jones will be conducting a series of workshops on Afro-American music. Ms. Jones has lectured on Afro-American music and has conducted concerts and workshops from coast to coast and from Vancouver to Miami. Myers Fine Arts 324.

1 - 5 pm — Faculty Wives present Asian Films— College Center Music Lounge.

8 pm — Folk Music Festival. Clinton Community College. Patons and String Band.

FRIDAY, MAY 2

1 & 4 pm — Ann Hunt Jones: Afro-American Music Series. Myers Room 324.

8 pm — Jazz Ensemble Concert. Open to all. College Center Courtyard.

8 pm — Folk Music Festival. Clinton Community College. Bok and Mayo Muir.

SATURDAY, MAY 3

10:30 am — Folk Music Festival. Newman Center, Broad St. The Paton's.

2 pm — Ann Hunt Jones: Afro-American Music Series. Open to all. Myers 324.

3:30 pm — Softball Game: Computer Science vs. Physics Club. Field House Loop 1.

8 pm — Lakeside Chorale Premiere performance of a cantata "Promise and Fulfillment" by two Plattsburgh artists, R. Bruce McDougall and Margaret Roser. Open to all. Hawkins Hall Large Auditorium.

10 pm — Semi-Formal. \$1.00 per couple. Tickets available at College Center Desk one week in advance. College Center Ballroom.

SUNDAY, MAY 4

1:30 pm — SA presents a Todd Hobin Concert. College Center Courtyard.

7 pm — SA Films. Hawkins Hall Large Auditorium.

8 pm — Council on the Arts presents: Syracuse Symphony performing "Who's Afraid of Virginia Woolf?" by Edward Albee. Tickets on sale at Hartman Box Office. \$6, \$5, \$2. Performance in Hartman Theatre.

MONDAY, MAY 5

7 pm — Alpha Sigma and Economics Club will present a Symposium on "Classical Revival in Economics." Open to all. College Center Cardinal Lounge.

7 pm — Anthropology Club presents Odyssey Film Series. Open to all. CL 203.

8 pm — Campus Poet Series presents Prof. Daphne Kutzer reading Duncan Mitchell and Professor Stanley Johnson reading from his own works. College Center Conference Room.

8:30 pm — Bands in the Pub. Admission 50¢. College Center Ballroom.

TUESDAY, MAY 6

4 pm — Tuesday Reflections. Open to all. College Center Cardinal Lounge.

7 pm — The African/Afro-American Studies Film Festival presents "Roots," Part 3. Open to all. College Center Ballroom B.

8 pm — Speakers Forum presents Herb Craff's "Out Takes and Bloopers." S.A. 50¢, public \$1. Tickets will be available at the College Center Desk starting April 30 and at the event. Hawkins Hall Large Auditorium.

WEDNESDAY, MAY 7

Noon — Brown Bag Theatre presents "The Tale Weaver," with Eileen O'Connor. Myers Studio Theatre.

4:15 pm — Excellence-in-Teaching Lecture Series. In honor of Dr. Stanley Johnson's 19 years as a member of the College faculty. Dr. Johnson will present a talk reflecting on his teaching experience. College Center Ballroom. A reception will follow in the Rockwell Kent Gallery.

7 pm — Academic Affairs and Arts and Science presentation on Teaching Development. Open to all. College Center Ballroom B.

8 pm — The Champlain Chamber Music Series presents the Champlain Trio. Yenoin Guibbory, violinist; Robert Cancelosi, cellist; Kathryn Stuart, pianist. Open to all. Hartman Theatre.

THURSDAY, MAY 8

4:30 pm — Reception for Who's Who Recipients. College Center Cardinal Lounge.

8 pm — Artists Series presents Robert P. Whithan — a slide lecture, open to all. College Center Ballroom B.

FRIDAY, MAY 9

7 pm — S.A. Films presents "Love and Death" and "National Lampoon's Disco Beaver From Outer Space." Students with ID 50¢. Hawkins Hall Large Auditorium.

8 pm — Symphonic Band Concert directed by James Miller. Open to all. Hartman Theatre.

NOTES

CONTINUING ART EXHIBITIONS
Until May 2 — Julius Tobias — Sculpture Environment Exhibit

New College ID pictures will be taken for all students planning to return in September. ID's will be taken in the College Center Music Lounge from 9 am to 4 pm on Monday, May 5 to Thursday May 8. On Thursday & Friday, May 1 and 2, they will be taken in College Center Ballroom B.

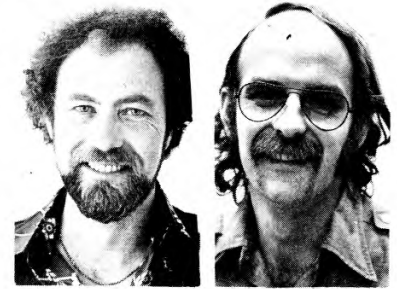

DRS. GLASER, SHAFFER RECEIVE SUNY CHANCELLOR'S AWARDS FOR EXCELLENCE

Dr. David Glaser, associate professor of history, and Dr. Lawrence Shaffer, assistant professor of psychology, are among 44 State University teaching faculty selected as 1980 recipients of the Chancellor's Award for Excellence in Teaching. Initiated in 1973, the award program provides teaching faculty, librarians, and non-teaching professionals a one-time \$500 grant for job-related achievement. A SUNY-wide advisory committee in each category reviews nominations from the University's 64 campuses and make recommendations to Chancellor Clifton R. Wharton, Jr., who makes the final selections and confers the awards.

Glaser, a faculty member at Plattsburgh since 1965, teaches courses in "U.S. History 1877-Present," "America in the 60's," "The U.S. and Vietnam," "Watergate and the Presidency," and "The U.S. and the Cold War." In 1973, he was chosen to receive a Fulbright Fellowship to India. He has been a visiting scholar and lecturer on the campuses of the University of California at Berkeley and the University of Maryland. His most recent scholarly research involves completion of a history textbook on America in the 1960's.

Shaffer, a 1964 graduate of this College, has been a member of the faculty since 1978. He received his doctorate degree from the University of Oxford, England, and presently teaches courses in introductory and child psychology, comparative psychology, animal behavior and a senior level seminar course for psychology majors. His research in animal behavior frequently includes the assistance of undergraduate students enrolled in his courses.

Both faculty members were praised generously by the campus selection committee which recommended them for Chancellor's awards. In its recommendation letter, the committee recognized Glaser as "one of the most gifted lecturers on this campus... who commands the interest and participation of students in his classes, bringing meaning and relevancy to each of them." In commenting on Shaffer's teaching ability, the campus committee wrote: "Dr. Shaffer's teaching grows out of careful study and critical analysis of issues... he molds his course material to fit the format needed whether it is a large lecture class or small seminar group."

INTERNSHIP APPOINTMENTS FOR FOOD AND NUTRITION MAJORS TOP NATIONAL AVERAGE

Sixty-four per cent of the current and former food and nutrition majors at Plattsburgh State who applied early in the spring semester for post-graduate internships have been notified their assignments to cooperating hospitals have been approved. The acceptance rate among applicants who receive internships appointments nationally is 38 per cent.

Dr. Carrie Harris, associate professor of home economics, explained that students must complete academic and experience requirements in order to qualify for membership in the American Dietetic Association (ADA). The degree from Plattsburgh satisfies the academic requirement; and approved ADA dietetic internship is the preferred means to meet the experience requirement. With the degree and an endorsement from the internship-granting hospital, the individual may become a Registered Dietitian by passing the registration examination.

The 10 Plattsburgh State seniors or recent graduates who received internship appointments will be assigned to medical facilities in this state (New York Hospital, Charles Wilson Hospital in Endicott, and Capital District Psychiatric Center) and in Connecticut (Yale-New Haven Medical Center), California (University of California at Berkeley), Virginia (Medical College at Virginia Commonwealth University), and Maryland (Walter Reed Army Medical Center). An eleventh Plattsburgh student was selected as an alternate to serve an internship at Shadyside Hospital in Pittsburgh.

'HANDICAPPED AWARENESS DAY' SET FOR THURSDAY

The College's 504 Committee, responsible for monitoring compliance with HEW Regulations that require institutions that receive federal funding to provide access and equal opportunity to handicapped individuals, is sponsoring a "Handicapped Awareness Day" this Thursday (May 8) in the College Center. Joe Laramie, associate director of the College's Upward Bound program and chairman of the two-year-old 504 Committee, explained that the purpose of the all-day event is to make the College and the community aware of the committee's efforts to implement construction modifications on campus for handicapped individuals, and to generate awareness of the difficulties in mobility encountered by the permanent and temporarily handicapped.

504 committee members will be available in the College Center lobby from 10 a.m. - 3 p.m. to answer questions on campus modification plans for the handicapped. In the afternoon, College President Burke and Plattsburgh Mayor John Ianelli have volunteered to travel to different campus buildings with the use of various devices used by the handicapped as a way of drawing attention to mobility problems they experience. The 504 Committee has announced that \$210,000 has been earmarked by the College through State University's Capital Construction Budget to begin modifications this summer that will ensure better accessibility for handicapped persons to eight Plattsburgh State buildings.

RECOGNITION PROGRAM SCHEDULED FOR MEMBERS OF CAMPUS HONORARY SOCIETIES

Members of seven active campus national student academic honor societies are invited guests to a faculty/staff recognition program next Wednesday (May 14) at 4:30 p.m. in the College Center Cardinal Lounge. The program includes brief presentations by presidents of the seven local honorary chapters. President Burke and Vice Presidents Dr. Eldridge Roark and Dr. Jerome Supple will preside over the program. Special invitations have been sent to members of the faculty and local community to attend. A wine and cheese reception will follow. The program is being sponsored by the College Administration and the Student Association in conjunction with the Committee on Student Achievements and Contributions.

'STUDENTS IN FREE ENTERPRISE' REPEAT AS EAST COAST REGIONAL CHAMPS

For the second consecutive year, Plattsburgh State business/economics majors participating in the National Students in Free Enterprise (SIFE) competition have won the East Coast Regional Championship. The first place finish entitles the College's SIFE group to represent the East Coast at the national level in competition scheduled in mid-July in Austin, Texas. The students, under the advisement of Ron Hobson, instructor of business/economics, competed with business students representing 19 other eastern colleges. Their winning platform consisted of a local marketing campaign designed to inform people of all ages the advantages of the U.S. economic system. Members of the College's SIFE group were Keith Brainin, Valley Stream; Heidi Clute, Plattsburgh; Carol Klepper, Plattsburgh; Jean Martin, Plattsburgh; Ellen McCarthy, Buffalo; Tim McCauley, Troy; Mark Oot, Kirkville; Garth Pittman, Syracuse; Jason Saris, Bolton Landing, and Mark Yatarola, Rochester. The students will present their winning program on WPTZ-TV Channel 5's "Focus" Program at 12 noon and 6 p.m. on Sunday, May 18.

FRATERNITY HELPS LOCAL MARCH OF DIMES RAISE NEARLY \$10,000 AT ANNUAL SPRING WALKATHON

Volunteer work by members of Sigma Tau Sigma Fraternity helped the local March of Dimes raise nearly \$10,000 in pledges from persons who participated in the organization's annual spring Super Walk/Team Walkathon held last Saturday (May 3). Members of the campus fraternity, along with Missy Mante, a senior nursing student, helped to register some 300 participants in the event — which included some 30 Plattsburgh State students who garnered pledges and walked in behalf of the Clinton County March of Dimes. Jeannette King, local March of Dimes community service representative, labeled the student support as "extremely beneficial in helping our organization enjoy another successful fund raising event . . . college student support for our organization is always enthusiastic, well organized and very much appreciated . . ." The fraternity was also responsible for coordinating the entire publicity for the county-wide event.

COLLEGE OFFERS TWO INDIVIDUAL SUMMER SESSION PROGRAMS

This summer the College for the first time will offer two individual summer session programs, beginning May 19 through June 27 and again from June 30 until August 8. Dr. Griffin Walling, director of continuing education and coordinator of the College's 1980 summer session program, explained the decision to divide the program into two six-week sessions was derived from a general survey of students who were enrolled in previous summer programs. "Many schools offer two summer session programs for the convenience of students who would like to complete their summer study prior to July 4th," Walling said. A combined total of more than 200 courses are being offered during the two summer sessions including a number of special workshops and mini-courses. A full schedule of campus summer activities are also planned including a regular Monday night film series and Thursday evening concert series. For more information on registration and tuition and fees for the 1980 summer session, contact the Office of Continuing Education at 564-2050.

weekly notes

Dr. Stuart Baum, professor of chemistry, and **Dr. Charles Warren**, Dean of the Arts and Science Faculty, have been selected to attend a conference/workshop, entitled "Ethics In Science," June 10-14 at Vassar College. Nearly 100 college faculty members from throughout the country are expected to attend the workshop which will emphasize the rationale for including ethical and value-laden issues in undergraduate science courses . . . **Dr. David Bedworth**, assistant professor of health education, has been selected to serve on the faculty of a National Conference on Rural Health Education Work sponsored by the Maine State Health Education Resource Center (HERC), June 8-11 . . . **Dr. Thomas Braga**, associate professor of French, has recently published a poem entitled, "Cod" in *Gavea Brown*, a bilingual journal sponsored by Brown University's Center for Portuguese and Brazilian Studies. In addition, Braga has been invited to present a paper on poetry and bilingualism at the Fifth National Portuguese Conference in Providence, R.I., June 5-7 . . . **Dr. Marilyn Chase**, associate professor of home economics, will receive her doctorate degree this spring from Virginia Polytechnic Institute and State University, Blacksburg, Va. . . . **Dr. Peter Corodimas**, associate professor of English, has published a short story, entitled "Highway," in the March issue of *North American Review*. . . **Dr. Melvin Donaho**, professor of communications, has been asked to be the keynote speaker and direct a 12-hour workshop in leadership and club management at the National Honor Society of American Home Economics Association's (Phi Epsilon Omicron) National Convention in San Diego, Calif., June 18-20.

This Week on Campus

THURSDAY, MAY 8

4:30 pm — Student Association Reception for Who's Who Recipients. College Center Cardinal Lounge.

8:00 pm — Artists Series presents Robert Pincus-Witten — a slide lecture. Open to all. College Center Ballroom B.

SATURDAY, MAY 17

Noon — Residence Halls close except for graduating seniors.

5:00 pm — Senior Nursing Banquet for Senior nursing students and family. College Center Cardinal Lounge and Ballrooms.

SUNDAY, MAY 18

1:30 pm — Commencement. Field House.

5:00 pm — Residence Halls close for graduating seniors.

FRIDAY, MAY 23

Noon — Final grades due.

State University of New York College of Arts and Science at Plattsburgh
is an Equal Employment Opportunity Affirmative Action Employer.

886 TO RECEIVE DEGREES AT COLLEGE'S 90TH COMMENCEMENT

A graduating class of 886 students will receive degrees at Sunday's 90th annual spring commencement exercises at the College Field House, starting at 1:30 p.m. U.S. Congresswoman Elizabeth Holtzman (D-NY) will deliver the principal address. President Joseph Burke will preside at commencement and confer degrees. Candidates for degrees will be presented by Academic Affairs Vice President Jerome Supple. Newly appointed College Council chairman Louis Wolfe will award the diplomas.

Eligible to receive degrees during the ceremony will be 384 candidates for the bachelor of arts, 469 candidates for the bachelor of science, 13 for the master of arts, 17 for the master of science in education, and three candidates for the certificate of advanced study. Among the Class of 1980 are nine persons who will graduate summa cum laude (with highest honors or a grade-point average of 3.9). They are: Jeffrey Benezra, from the Bronx; Clare Boulanger, Lee, Massachusetts; Kathleen Gerstenberger, Plattsburgh; Marilou Lussier, Latham; Lyn Morehouse, Warrensburg; Deborah Olander, Albany; Gary Oldehoff, Seaford; Kevin Peryer, West Chazy; and Karen Wierzbicki, Rome.

This year's commencement ceremonies will include a special Presidential Award of Honor presented posthumously to long-time Plattsburgh civic leader Mrs. Alice Forbes Hayden for her dedication to varied human welfare agencies and organizations and to the Clinton County United Fund and Plattsburgh College Foundation, both of which she helped to found.

MRS. DUKEN TO RECEIVE COLLEGE'S DISTINGUISHED SERVICE AWARD

Mrs. Judith L. Duken, former chairman of the Plattsburgh College Council and newly appointed member of the State University Board of Trustees, has been selected by the College Council and President Burke to receive the Distinguished Service Award during Sunday's commencement exercises. The Plattsburgh State alumnus will join the ranks of prominent statesmen, educators, and benefactors of the College who have received the prestigious honor.

Chairman of the College Council for the past three years, Mrs. Duken's selection for the DSA is in recognition of her decade of service to the College's local governing board and her contributions to State University, both as an officer of the University's Association of Council Members and the Confederation of Alumni Association; she is the first SUNY alumnus ever named to the sixteen-member University Board of Trustees.

GOVERNOR APPOINTS PLATTSBURGH ATTORNEY AS COLLEGE COUNCIL CHAIRMAN

Plattsburgh attorney Louis E. Wolfe has been appointed by Gov. Carey as chairman of the Plattsburgh College Council for a term ending on June 30, 1984. Wolfe, who has been serving as acting chairman of the Council and previous to that as vice chairman, replaces Mrs. Judith L. Duken, who resigned her post in January to serve on the State University Board of Trustees. A member of the Council since 1976, Wolfe was recommended for the post by College President Joseph C. Burke. "I have been impressed by Mr. Wolfe's intelligence, integrity, and his keen understanding of the issues facing higher education in the 1980's," said Burke. "I am convinced that the Governor's appointment of Mr. Wolfe to chair our Council will greatly benefit our College."

A former member of the State Assembly, where he served from 1964-1968, Wolfe is a former Plattsburgh town attorney and a former Plattsburgh city judge. He currently serves as a member of the Plattsburgh Board of Education, a post to which he was elected in 1978. Wolfe is also a member of the Plattsburgh College

Foundation and the Foundation's President's Club. In addition to his Council post, Wolfe is chairman of the New York State Commission on Sports. As such he originated the concept of the "Empire State Games," Olympic-type competition for high school and college men and women athletes, which have been held the last two summers in Syracuse.

FOUR TO RETIRE FROM COLLEGE SERVICE

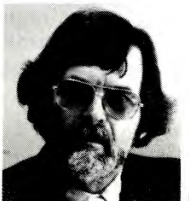

Abbe

Calkins

Dr. George Abbe, writer-in-residence and professor of English; John Calkins, director of campus security; Dr. Townsend Carpenter, professor of counseling; and Carole Hass, assistant professor of health, physical education, and recreation have announced they will retire before the beginning of the 1980-81 academic year. The four have amassed 67 years of combined service to the College.

Abbe has been a member of the faculty since 1956 and has taught courses in writing, literature, the poetic novel and contemporary poetry. He is the author of 25 published books and hundreds of short stories and poems, and is a recipient of the Shelley Memorial Award for poetry writing. Calkins has been the College's campus security director since the position was created in 1968. A retired Army Lieutenant Colonel, Calkins has directed the growth of the College's security staff to 21 civil service employees and more than 20 part-time personnel. He is former vice president of the Green Mountain Chapter of the International Association of College Public Safety Directors and is a former New York City police officer. Carpenter joined the faculty as a full-time assistant professor in 1964. For 14 years he served as coordinator of counseling education and is former chairperson of the Department of Professional Specialization. He organized the College's first drug education workshop and was instrumental in authoring the College's elementary counseling and mainstreaming grants. Hass came to the College in 1967 and has served as former coach of the women's swim team and as coordinator of the Dolphin's synchronized swim team. She has taught on the faculties of the University of Oklahoma and Texas.

Carpenter

Hass

Best Wishes to the Class of 1980

HOCKEY COACH LOU FRIGON RESIGNS

Coach Lou Frigon, who for the past four seasons led the Plattsburgh State hockey teams to national prominence, will resign his duties at the College, effective June 15. In a letter to President Burke, Frigon wrote that he was leaving the College to pursue private business interests in southern California. The four-year coach, who in the past three seasons is recognized as the winningest coach in Division II Hockey with a record of 64-11, did indicate, however, that he wasn't ruling out the option of returning to coaching if the opportunity presented itself in the southern California area. In accepting Frigon's resignation President Burke announced that a search committee will be formed to find a successor whose coaching, leadership and recruitment skills will insure that the College continues to contend for honors at the state and national levels.

RECEPTION HONORING CLASS OF 1980 SET FOR SATURDAY

Upwards of nearly 2,000 graduates, their parents and relatives, and members of the College's faculty and staff have been invited to a reception honoring the Class of 1980 from 5 p.m. until 7 p.m. on Saturday (May 17) in the College Center Courtyard. The first-time event is being hosted by President and Mrs. Burke, the Plattsburgh Alumni Association, and the Student Association. Invitations were mailed three weeks ago to members of the graduating class inviting them to attend with their relatives and guests in their last official social College function as Plattsburgh State students. Wine and cheese and non-alcoholic beverages will be served. Saturday's event will replace the traditional reception which follows Sunday commencement exercises. In the event of rain, the reception will be held in the gymnasium of Memorial Hall.

LATEST REPORTS SHOW DEPOSITS PAID BY 1,404 PROSPECTIVE STUDENTS

According to the latest reports available from the College Admissions Office, a total of 1,404 new students (955 freshmen and 449 transfers) have paid admissions signifying their intent to enroll at Plattsburgh State this coming fall. The number of deposits paid by incoming freshmen represents 91 per cent of the the Admissions Office's projected fall 1980 enrollment goal.

HIGHLY QUALIFIED STUDENT TEAM SELECTED FOR SUMMER ORIENTATION STAFF

The College's Summer Orientation Review Board, comprised of faculty, staff, and former student orientation leaders have selected a 10-person staff to administer this summer's five-week orientation program for first-year students. Student Life Director Jaimie Trautman, director of the orientation program, announced that this year's group of student orientation leaders possess a 3.2 cumulative grade-point average. Since their selection earlier this semester, the students have met weekly with representatives from the academic and administrative areas in order to learn about all aspects of their summer roles. This year's orientation program will offer seven two-day sessions for freshmen and freshmen-level transfers, July 1 - July 30; and four two-day sessions for transfer students, July 31 - August 5.

weekly notes

This summer **Dr. Stuart Baum**, professor of chemistry, will present a paper, entitled "The Use of Molecular Models in the Organic/Biochemistry Laboratory," at the Sixth Biennial Chemical Education Conference in Rochester and the American Chemical Society Meeting in San Francisco. . . . **Dr. Mark Cohen's** book, *The Food Crisis in Prehistory*, has inspired interest by the Society for the History of Technology (SHOT) to request a joint meeting with the American Anthropological Association (AAA) to discuss issues concerning the role of technology in human cultural evolution. SHOT has proposed the conference be held during the AAA's national convention in Washington next December. Cohen, associate professor of anthropology, will help chair the conference. . . . **Dr. Stewart Denenberg**, assistant professor of computer science, has had several papers on computer networks and computer literacy development published in the journals of *Computer Based Instruction* and the Association for Educational Data Systems publication. . . . **Patricia Devine**, a junior psychology major, recently presented a research report on eyewitness identification at a meeting of the Eastern Psychological Association. Her on-campus research efforts are in collaboration with **Dr. Roy S. Malpass**, associate professor of behavioral science. The Schenectady native is also the College's nominee for the American College Scholarship, a \$500 award administered nationally by American Educational Services. . . . **Dr. Richard Jones**, assistant professor of computer science, in collaboration with the W. Alton Jones Cell Science Center, authored a paper, entitled "A Stochastic Model of Cellular Senescence Part 1: Theoretical Considerations," that was accepted for publication by the *Journal of Theoretical Biology*. . . . **Dr. Karl Kramer**, associate professor of education, has been selected by Gov. Carey to the seven-member Board of Visitors for St. Lawrence Hospital in Ogdensburg. . . . **Diane Levesque**, a senior art major from Plattsburgh, had two of her paintings selected for the North Country Women Artists Exhibition being held at St. Lawrence University. Her works were one of 36 selected from more than 370 submitted for consideration by the jury. Her painting *Comedienne* was selected by the jury as "Best of the Show." . . . **Dr. Angelo La Mariana**, professor of music, served as an adjudicator at the New York State School Music Association (NYSSMA) Spring Evaluation Festival held in Schenectady last weekend. . . . **Dr. James Miller**, professor of music, recently served for the second consecutive year on the international faculty of Music Festivals International as a U.S. representative adjudicator for concert and symphonic bands competition held in Nassau, of the Bahamas. . . . **Dr. Gordon Pollard**, associate professor of anthropology, has published an article for a journal published by the Geographical Institute of the Catholic University in Santiago, Chile, concerning his early archaeological findings in that country partially supported by a 1977 State University Faculty Research Fellowship. . . . **Dr. Ernest Rangazas**, chairperson of the health, physical education and recreation department, recently returned from chairing a session of the National Youth Sports Program Conference in Atlanta, Georgia. Rangazas, who has directed the College's NYSP summer program for the past three years, chaired a session, entitled "Enriching the Enrichment Phase of NYSP." . . . **Terri Lynn Stepanoff**, a junior biology major from New Hartford, has been selected to the W. Alton Jones Cell Science Center internship program in tissue cell technology training. . . . **Dr. John W. Tomlin**, associate professor of sociology, recently presented a lecture, entitled "The Mass Media as Cultural Innovations," for advertising and marketing students at New Hampshire College in Manchester. . . . **Dr. Charles Zinser**, associate professor of geography, has published his four-year study of the economic impact on the regional economy by the Adirondack Park Agency. The book, published by State University Press, is entitled "The Economic Impact of the Adirondack Park Private Land Use and Development Plan."

Final Issue of WEEKLY

With this issue, WEEKLY concludes its eighth year of publication. The editors extend best wishes to the readership for a safe and enjoyable summer.
